Notes

1. Equivalent full-time student.
2. The qualification level is defined based on the Qualifications Award Category.
3. Micro-credentials have been excluded.
4. "Bachelor's with Honours" are included as undergraduate qualifications for the purpose of these tables.
5. Student gender diversity data were reported from 2019 onwards, while staff gender diversity data were reported from 2020.
6. Both students and staff can identify with more than one ethnicity, which may result in subtotals exceeding the student and staff headcounts.
7. MELAA stands for Middle Eastern/Latin American/African.
8. Students can be awarded more than one qualification in a given year.
9. The COVID-19 pandemic, along with the associated border closures, has had a significant impact on international student numbers from 2020.
10. Students may pursue qualifications that span multiple levels during an academic year.
11. The composition of the top 10 countries may vary between years. In this context, we utilise the data from the most recent year as the basis for determining the "Top 10."
12. University staff only, excludes subsidiaries. Staff data as per Annual Workforce Questionnaire provided to the TEC.
13. Revised following a PBRF audit after the publication of the 2022 Annual Report.
14. For more information, read our [Annual Report](#).
15. Check [Education Counts](#) for more tertiary education sector statistics.
