## 2. For the Referee

The student above has applied to participate in Uni Exchange Aotearoa (UEA), which involves full time study at another NZ university—either AUT or University of Otago. To fully benefit and be prepared for an exchange, a student must be emotionally mature, flexible, and able to adapt easily, as well as communicate well with people from different backgrounds. The student should be highly motivated and have qualities that demonstrate they are a good ambassador for Te Herenga Waka.
