## Study in Wellington on a Manaaki New Zealand Scholarship

Studying on a Manaaki New Zealand Scholarship at Victoria University of Wellington means you can enjoy:

- a fully funded education
- a world-class qualification
- dedicated support
- the chance to give back to your country.

Manaaki New Zealand Scholarships are funded through the New Zealand Aid Programme and managed by Education New Zealand, in partnership with the New Zealand Ministry of Foreign Affairs and Trade. The views expressed in this publication do not necessarily reflect those of the New Zealand Government.

“

Being a Manaaki Scholarship recipient has been an incredibly rewarding experience. The scholarship not only provided crucial financial support but also connected me with a vibrant network of international scholars, fostering a strong sense of community and shared purpose.

What attracted me most to the Master of Commerce in Information Systems programme at Victoria University of Wellington was its effective blend of practical learning, academic rigour, and strong industry connections.
