

NEW HISTORIANS CONFERENCE 2020

CALL FOR PAPERS

History: Lived and Imagined
26th - 27th November 2020

History tells us stories about who we are. We are living through them; we are imagining them. The 15th annual New Historians Conference asks how these stories are being told and how the past is being remembered.

The postgraduate students from the History Programme at Te Herenga Waka - Victoria University of Wellington invite submissions from current students and recent graduates with the theme of *History: Lived and Imagined*. Interdisciplinary contributions are especially welcome.

Presentations are to be 20 minutes long, with 10 minutes allowed for questions.

To register, please send an abstract (200 words) and brief biographical statement to newhistorians@vuw.ac.nz by 16 October 2020.
