## SECTION 86D(2)

Despite any other enactment, if, on any occasion, an offender is convicted of 1 or more stage-3 offences other than murder, the High Court must sentence the offender to the maximum term of imprisonment prescribed for each offence

## SECTION 106(1)

A court may discharge a person who is found guilty of an offence without conviction —

## SECTION 107

A court must not do so unless the court is satisfied — ...that the direct and indirect consequences of a conviction would be out of all proportion to the gravity of the offence.
