Rainbow and Inclusion

Supporting LGBTQIA+ and takatāpui students at Victoria University of Wellington

Victoria University of Wellington’s rainbow and inclusion adviser is here to support LGBTQIA+ and takatāpui students and to work with our community to make sure our campuses are a safe and inclusive environment for students of all sexualities, genders, and sex characteristics.

All LGBTQIA+ and takatāpui students can contact the University's rainbow and inclusion adviser who:

- supports students who have any rainbow-related questions or issues
- has drop-in sessions to help connect you with appropriate services
- can tell you about upcoming rainbow events on campus
- can arrange to meet with you at any of the University's campuses.
