

PUBLIC RESEARCH TALK (FREE EVENT)

Learning from Canterbury Earthquakes 10 years on: Reflecting on the key social and economic lessons for Aotearoa New Zealand in preparing for future disasters

In this set of talks Professor David Johnston (Massey University) and Professor Ilan Noy (Victoria University of Wellington) will reflect on 10 years of research on the social and economic impacts on Christchurch, the Canterbury Region and wider Aotearoa New Zealand.

17 February 2021
4pm – 5pm

Taiwhanga Kauhau
National Library Auditorium
70 Molesworth Street
Thorndon, Wellington
