The Bond will be refunded to you in accordance with the Agreement, less any amounts for which you are liable.

To access the Katharine Jermyn Hall portal, you will first need to set a password. You can do this by visiting the portal at https://starrez.victoria.ac.nz/portalkj, typing the username (email) you used to apply, and clicking Forgot Password. You will then be
emailed a link where you can set a secure password for the Katharine Jermyn Hall portal. If you are unsure of your username, please email the hall directly.

**Financial issues**
In the event of unforeseen financial issues, we encourage you to discuss your situation with the Head of Hall before the due date for payment.

The Student Financial Advisory Service may also be able to provide assistance.

While we will endeavour to assist you, we reserve our rights under the Hall Residence Agreement and the Handbook in the event of any non-payment.

**Non-payment or late payment**
If any amount you are required to pay under the Hall Residence Agreement is not paid by the due date, the following will apply:

You will be required to pay an additional late payment fee of $50.00. If you have discussed your reasons for late payment with us before the due date, we may, at our discretion, waive the late payment fee.

You will be required to pay our reasonable debt collection costs incurred in respect of the outstanding balance.

A hold may be applied which will mean you will be unable to receive your grades or re-enroll.

**Cancellation**
The Hall Residence Agreement contains details on your ability to cancel the Agreement, and your liability if you do decide to cancel.

If you are considering cancelling the Agreement, we encourage you to discuss your situation with the Head of Hall or one of the Staff.

If you do decide to cancel, you must provide written notice of cancellation to the Head of Hall.
Behaviour and conduct

Restorative communities
The Hall is a restorative community. A restorative community is one in which every member is valued and feels they belong, where all contribute to the common good, and where conflict is handled in ways that promote accountability and repair. A restorative community fosters positive relationships founded on mutual care, respect, equality, responsibility and honest communication.

Restorative circles in the halls
Throughout the year, your RA will invite you to participate in dialogue circles to strengthen relationships and improve communication on your floor. Your RA or Hall manager will facilitate the circle, using a ‘talking piece’ so that everyone has an equal opportunity to speak. Circles may be held for lots of reasons, including to:

• Build positive relationships
• Establish shared norms and values for your floor
• Respond to conflict or problematic behaviour on the floor
• Process a difficult community event or shared experience
• Make decisions about group activities.

Circles are a great opportunity to get to know your neighbours and to have a say in creating your floor culture.

Restorative ways of addressing conflict and rule-breaking
When conflicts occur a restorative justice process is available. This is where those involved in the episode meet together, with the help of a facilitator, to discuss:

• What happened?
• Who has been affected and in what ways?
• What can be done to make things right?
• How can we stop similar things happening in the future?

A restorative process requires the responsible student(s) to accept responsibility for their actions and to make amends, and provides the harmed parties with a clear voice in the process. The group works together to reach an agreement about what must be done to repair the harms and restore relationships.

Participation in a restorative meeting is entirely voluntary; all affected parties must agree before it goes ahead. When determined appropriate by staff, this process may be used as an alternative to normal disciplinary procedures.

Residents may request a circle or a restorative meeting at any time to address interpersonal conflict within the Hall.
**Misconduct**

As a resident in the Hall the Student Conduct Statute applies to your conduct.

We encourage you to make sure you are familiar with the Student Conduct Statute.

If your conduct at any time amounts to, or may amount to, misconduct under the Student Conduct Statute, we may take disciplinary action against you in accordance with that Statute.

**Being a good neighbour**

While you have a responsibility to behave appropriately to other residents within your Hall, you also have neighbours in nearby buildings and houses. Being a good neighbour is a high priority for the University and something we take very seriously. Treat these neighbours respectfully: please be quiet when passing by, and dispose of rubbish in bins provided. The neighbours are good people, but understandably they get tired of noise and rubbish issues caused by a small number of students.

The University responds quickly to complaints from Hall neighbours and has an effective process for investigating these and responding to them. The University may take disciplinary action against you under the Student Conduct Statute as a result of receiving complaints from neighbours.

**Harassment**

The University is committed to providing a living and working environment that is free from harassment. Harassment is unlawful.

Harassment is unwelcome, uninvited behaviour, which can make someone feel offended, humiliated, or intimidated. It does not matter that there is no intention to harass. If the recipient perceives the harassment as such, then it is harassment.

Harassment includes the use of language (written or spoken) or visual material or physical behaviour that:

- Expresses hostility against, or brings into contempt or ridicule, any other person on the grounds of colour, race, ethnicity or national origins, sexual orientation, ability or religion of that person
- Is hurtful or offensive to that other person (whether or not that is conveyed to the person complained about)
- Is either repeated, or of such a significant nature that it has a detrimental effect on that other person.

Causing disharmony includes:

- Publishing or distributing written, visual or electronic material that is threatening, abusive, harmful or insulting, including on social media
- Using words that are threatening, abusive or insulting
- Physical behaviour that is deemed threatening, abusive or insulting.

Harassment and causing disharmony are not permitted at the Hall or within the Victoria University community. If, at any time, your conduct breaches the Student Conduct Statute, we may impose any disciplinary action or penalty available under the Statute.

Cleaning
Residents are responsible for cleaning their own rooms and for keeping all common areas as tidy as possible. In studio rooms, residents are responsible for cleaning their own bathrooms, kitchenettes and living areas and for providing their own cleaning products and toilet paper.
Cleaners are contracted to clean the common areas of all buildings. Residents are responsible for keeping their own common room benches clean and clear. Residents are responsible for common room dishes.
Please let reception know if supplies such as toilet paper, paper towels and soap in common bathrooms run out.
It is your responsibility to keep your room in a clean and tidy condition, including emptying your own rubbish and recycling into the appropriate areas. Rubbish from your room may not be emptied into the common room bins. You may approach an RA for assistance with this.
Room checks will be conducted from time to time. It is preferable that you are present, but we reserve the right to check in your absence. If your room is found to be unsatisfactory and you will not/cannot rectify this in the time required, your room may be cleaned by our cleaners at your expense.

It is important to ensure you leave your room in a clean and tidy condition for health and safety reasons and so that you do not have cleaning costs deducted from your Bond.

**Damage**

**Individual liability**

The Hall Residence Agreement requires you to:

- Keep the Facilities (this includes your room, the Hall, and all fixtures, fittings and chattels within the Hall) clean and tidy, and pay for any cleaning, damage, repair and maintenance for which you or your guests are responsible; and
- Keep your room in the condition it was in at the Start Date (fair wear and tear excepted).

Examples of costs for which you may be liable include costs to repair damage caused by your guests, the cost of cleaning, repairing and/or repainting your room, and the cost of repairing damage to walls caused by adhesive tape.

**Joint liability**

We encourage those at fault to take responsibility for their actions. However, sometimes damage or theft will occur that cannot be attributed to individual residents.

Under the Hall Residence Agreement, if, due to damage of any kind, any cleaning, repair or maintenance (including replacement) is required to the Facilities and responsibility cannot be attributed to individual residents, you will be liable for a pro-rata share of the cost of such cleaning, damage or maintenance, as determined by us.

General policies and rules

Academic assistance
We endeavour to provide an environment conducive to academic success. If you require academic assistance, do not hesitate to discuss this with any member of the hall team. A Residential Advisor will touch base with you throughout the year to discuss your academic progress.

Residents must be full-time Victoria University of Wellington students, and are expected to attend the lectures, tutorials and laboratory sessions for which they are enrolled.

Catering
Katharine Jermyn Hall provides catering for all Room Types. If you have any special dietary requirements, please advise us before you arrive to ensure that appropriate arrangements can be made. All meals are provided within the dining room. If you are unwell, please notify a staff member who will arrange for a meal to be delivered to your room. Dining times may vary during study and exam periods, break periods, and other times. Packed lunches and late dinners can be arranged in advance. Meal times are an excellent opportunity to socialise within the community.

Dining room rules
• Treat all catering staff with respect.
• The kitchen is out of bounds.
• Dining is a privilege for residents only. Guests are not permitted in the dining room without prior permission.
• A reasonable standard of dress, appropriate to eating in a public place, must be worn in the dining room.
• Footwear must be worn at all times.
• Throwing food is strictly prohibited.
• When you have finished eating, return all crockery, cutlery, and any leftover food to the collection area.
• Food, except packed lunches, cutlery and crockery supplied by the Hall must not be taken from the dining room.

Guests
Guests are welcome at the Hall provided that they are sober and well behaved. As a resident, you must sign in your guest on arrival, be with your guest at all times while they are on Hall premises, and escort them out of the premises when they leave. This is necessary to maintain the security of our Hall, and to ascertain which people are in the building in the event of fire or earthquake procedures.

Unaccompanied, intoxicated or disorderly guests will be required to leave the Hall immediately. Staff may ask a guest to leave the Hall at any time. Remember that you are fully responsible for your guests' actions while they are at the Hall. If your guest causes any damage, you will liable for all costs of repair, cleaning or replacement.

As a resident, you must not let your guest use your key, access card or meal card. A guest is welcome to stay for a night or two if a guest pass is signed by a staff member at least 24
hours in advance of the guest’s arrival. No guest may stay on a regular basis, and residents may only have one overnight guest at a time.

The Head of Hall has the right to enforce a no guest policy, which may occur during, but is not limited to, orientation periods, study periods or exam periods.

Noise
Living in a large residential community requires consideration and respect. Residents living at the Hall are first and foremost students and an environment conducive to studying will always take priority. Noise must be kept to a reasonable level at all times:

- Noise must not be heard outside your room, either in the public areas or in any neighbouring room. This includes bass from stereos, which may travel through floors and ceilings.
- If you want to listen to loud music, you must wear headphones.
- Loud conversation in the corridors is particularly disruptive to residents trying to sleep or study.
- Be mindful and respectful of all neighbours including those in the wider community.
- Staff may ask any noisy group in any part of the Hall (including bedrooms) to disperse.

Quiet hours
It is critical that you observe quiet hours.

- Quiet hours are from 10:00pm until 8:00am daily, 8:00pm until 8:00am during exam periods.
- During quiet hours, no noise should be heard at all from your room or common areas. This policy is strictly enforced.
- No excessive noise should be heard at any time from your room.
- During examination times, quiet hours will be extended and you will be notified.
- Quiet hours may change at any time of the year. This is usually in conjunction with study and examination periods but is not limited to these times. We will notify you of any changes.
- Staff may require that guests who do not respect quiet hours will be required to leave the Hall.

Noisy neighbours
If your neighbour is making so much noise that you are unable to study or sleep, politely ask them to reduce the noise. If this is unsuccessful, contact the RA on duty.
Alcohol, smoking, and vaporising

Alcohol

Katharine Jermyn Hall encourages and promotes a sensible and responsible attitude towards alcohol. The consumption of alcohol is one of the main factors that contributes to disorderly behaviour and noise. We expect you to be responsible for your behaviour surrounding alcohol, and as a resident you agree to abide by the following alcohol rules:

1. Persons under 18 will not be allowed to consume or be in possession of alcohol on the premises, and may be placed on an alcohol-free floor or space.

2. If you are 18 or over, reasonable consumption of alcohol in your room with another resident or two is allowed, provided that noise and/or damage is not a problem and no alcohol ban is in place.

3. If excessive noise can be heard at any time from outside your room, and alcohol is involved, then your gathering could be closed down.

4. Adhere to our alcohol limits:
   - one standard 750ml bottle of wine, or
   - one standard plastic bottle of cider; or
   - six cans of beer, or
   - four RTD cans.

5. Any breach of the alcohol limits will lead to immediate removal and disposal of the alcohol.

6. No glass alcohol bottles, except standard wine bottles, are permitted. No glass beer bottles or spirits are permitted at any time.

7. Actions of residents’ guests are the residents’ responsibility. Guests are not permitted to consume any alcohol while on site. Hall staff will require guests to leave if their behavior is unacceptable or they are intoxicated.

8. No alcohol can be consumed in public areas including common rooms, hallways, bathrooms, cinema lounges, the dining room, laundry, fitness studio, foyer, any outdoor areas on Hall premises, and any other common space. Open drinks in these areas will be confiscated and disposed of.

9. No alcohol can be stored in common space refrigerators or freezers, and may be removed and disposed of.

10. Total alcohol bans will be put in place during study and exam periods and may be put in place at any other time.

11. You may not have or use any equipment at that encourages excessive or unhealthy drinking, including but not limited to kegs, funnels, home brewing equipment or paraphernalia associated with drinking games.

12. Drinking games are not permitted on Hall premises.

13. Material that promotes alcohol or alcohol-related events may not be displayed or distributed, and will be removed.

Smoking

Hall premises and grounds are smoke-free and vape-free environments. You cannot smoke or use vapourisers/e-cigarettes in any area of the buildings including foyers and entranceways. If you are found smoking in the building, smoking materials will be confiscated and disciplinary measures will follow.
Drugs — marijuana and other illegal substances
It is forbidden to possess, use, and/or distribute marijuana and other illegal substances. Residents discovered using, in possession of, or selling such substances will face disciplinary action in accordance with the Student Conduct Statute. In addition, we may notify the Police.

You are responsible for what happens in your room. If there are signs of drugs having been used in your room, you will face disciplinary action. Do not allow anybody to use drugs in your room.

Please inform an RA or office staff immediately if you suspect drugs are being used in the Hall. Paraphernalia associated with drugs is not permitted in the Hall and may be confiscated. Further investigation will occur and any confiscated items will not be returned.

Party pills and herbal highs
Although deemed legal, party pills and herbal highs may not be possessed, used and/or distributed on Hall premises. The Hall chooses not to have them on site.

Confidentiality
Staff and residents are expected to treat each other with respect and confidentiality. The University Privacy Statement governs collection, use, storage and disclosure of your personal information, as it relates to your residency at the Hall.

In addition, guarantors can also be contacted if payments are outstanding, if a person is responsible for damage or setting off fire alarms, and if a person is being evicted.

Parents and caregivers’ engagement
We encourage self-reliance and personal growth of their residents. As a resident, your son or daughter is responsible for their own academic and personal choices. Any concerns or suggestions will be dealt with directly between them and Hall staff.

Arrival and payment information is only sent to the resident. The Hall will protect the privacy of its residents and will not provide any personal information to caregivers without consent. If a parent or caregiver is the financial guarantor for a resident, it is up to the resident to discuss any financial problems with them. Residents have access to the University’s Financial Support and Advice Service for help with budgeting and becoming financially independent.

Caregivers are welcome to share any feedback, but the Hall will always contact the resident directly should the need arise.

Support for residents
We acknowledge that students and parents/caregivers alike can struggle a bit with the transition and adjustment of leaving home, moving to another city, starting an academic course and moving into a community living environment.

Students are well supported, especially in their first few weeks as residents in their chosen Hall, with access to Residential Advisors, management staff, and Student Support Coordinators.

Student Support Coordinators are registered health professionals who provide a confidential service for any Hall residents experiencing health or wellbeing issues. They liaise with faculties, student support services and community services to ensure that residents get the support they need to reach their potential and achieve academic success.
Support for parents and caregivers

The main advice we can give parents and caregivers is to keep lines of communication open with your daughter or son. Continue to have frank and open conversations about all areas of their lives, especially as they head into this next stage, and support their choices.

While your first instinct may be to want to find out more about your son or daughter’s situation, especially if they mention something that they are not happy about, most things get resolved as part of everyday Hall life.

Rather, you can encourage them to get involved in Hall and University activities and suggest they talk through any concerns with Hall or University staff. Make sure you are aware of the services available so that you can direct your son or daughter if they indicate they need some help.

Planning for breaks during the year, keeping in touch through phone and Skype and sending surprise care packages are also important.

Depending on your situation, you may want to limit contact in the first week or two to check-in texts so that everyone has a chance to settle in to their new routine.

Photographs and student ID

Residents are required to provide passport-style photographs for security records, and for display on residents’ photo boards in common areas unless you notify the Hall prior to arrival that you do not want your photo displayed.

Residents are required to provide their student ID number for confirmation of full-time enrolment at Victoria University, and any other purpose deemed appropriate by Hall management.

Social media

Use of social media is encouraged as a great way to connect with residents and staff, and to keep up to date with events and community news.

Each Hall has its own Facebook page for residents to read and post relevant items.

Please be respectful of other users of your Hall’s social media accounts. Residents must not post anything that may be considered as discriminatory or harmful against, or bullying or harassment of, any individual on any social media platforms. For example:

- Making offensive or derogatory comments relating to sex, gender, race, disability, sexual orientation, religion, belief or age;
- Using social media to bully another individual; and
- Posting images that are discriminatory or offensive, or linking to such content.

Hall management reserves the right to delete any post that may cause offence and could be detrimental to the Hall community.

Permission of others

You should also be mindful of having sought and gained the consent of involved parties, whether posting to your Hall’s Facebook page or any personal pages. This is particularly relevant for photos. You must always gain permission from someone whose photo you intend to post. If they don’t want their photo posted, respect that decision.

If you post something without the express permission of the person involved, it may be a breach of their privacy. Depending on the nature of the material, there may be more serious repercussions, such as legal action or a police investigation.

If in doubt, always ask the person concerned. You can’t assume they will agree. And if you can’t contact them or have any doubts about what you’re doing, don’t post.
Health and safety

All residents agree to comply with the University Health and Safety Policy. In particular, you will take reasonable care of yourself and others and cooperate with hall staff and ensure that your acts do not adversely affect others. You will also report, as soon as possible, to halls staff any matter that may be, or may create, a health and safety issue.

Health

If you are sick, or know another resident who is sick, tell Hall staff so that the appropriate care can be arranged. All acute illnesses must be reported to Hall staff immediately. Contact Victoria Student Health to enrol or make an appointment on (04) 463 5308.

Fire safety

The Hall contains smoke alarms, sprinkler systems and evacuation procedures, and has regulations in place to keep residents safe.

1. Your room is a 'fire cell', which means that if there is a fire in your room, the closed door will prevent the fire from spreading rapidly. This is an important safety mechanism in a building where several hundred people live.
2. Visitors and overnight guests in any building must sign the overnight guest register at reception/RA Corner.
3. You are not permitted to burn anything in your room, e.g. incense, candles, cigarettes, e-cigarettes, vapours, tobacco, matches, or lighters. These items will be confiscated if found in use.
4. You are not permitted to hang anything from sprinkler pipes or fittings, and must keep the area around sprinklers and smoke detectors clear.
5. All electrical appliances e.g. straighteners, hair dryers, electric blankets must have a safety check and be in good working condition & order.
6. Cooking is only permitted in kitchenettes spaces. Cooking equipment such as hot plates, rice cookers, electric woks, toasters, panini machines and frypans are not permitted in rooms or in communal spaces.
7. Barbecue grills and charcoal fluid may be a fire hazard and are not permitted inside buildings in the Hall or outside on balconies, patios or decks.
8. Residents will be required to pay the cost of the fire brigade attending together with any administration charge imposed by the fire brigade if a false alarm occurs because of a resident’s failure to comply with policies and rules. The minimum charge is $1200.

Abiding by fire safety rules and policies and the fire evacuation procedures ensures the health and safety of all our residents. If items that are not permitted are found to be on the premises, they will be confiscated. Disciplinary action will follow if fire safety rules and policies and fire evacuation procedures are not followed.

Fire alarms

If you or your guests deliberately tamper with fire equipment such as the smoke alarms, sprinklers, heat detectors, fire signs, fire exits or fire switches, disciplinary action will follow. If you are responsible for setting off a fire alarm you will also be liable for a charge of $1200 or more to cover the cost of the Fire Service call out charge. The Fire Service may also be involved in further action.

Deliberately tampering with any fire equipment, regardless of an alarm being activated or not, will result in disciplinary action. Any associated charges to fix or reset systems will be charged.
Fire evacuation procedures
When the fire alarms sound, you and everyone else in your room must:

1. Leave your room immediately.
2. Leave the building immediately using the nearest fire escape. You must not use the lifts in an evacuation.
3. Proceed to the designated assembly area.
4. Stay out of the building until you are told you may return.
5. If the smoke detector in your room activates, find out the cause as quickly as possible and activate the fire alarm if necessary.

Fire wardens
Fire wardens in each building are appointed at the beginning of the year. There will be at least one fire warden representative for each floor who will be instructed on fire safety and evacuation procedures. If you would like to be a fire warden, please contact your RA in the first week of your arrival.

Earthquakes
In the first instance, ‘Drop, cover and hold’. Then, when instructed by Hall staff, follow evacuation procedures quickly and efficiently.
