

Prize Draw Terms and Conditions

1. About

These Terms and Conditions relate to the prize draw for respondents to the 2026 ***Student Services Fee Consultation Survey***.

The Student Services Fee (SSF) funds non-academic services that support student wellbeing, engagement, and success, such as health and counselling services, careers support, student advocacy, the student association, clubs, and recreation. More information about the SSF, what you're charged, and what services are currently funded, can be found [here](#).

The survey aims to understand what students think about the SSF, whether it feels fair and good value, what matters most if choices have to be made, and how the University explains how the fee is used. Feedback will be considered as part of the University's consultation and decision-making about the SSF price for 2027 and allocation if additional money is available.
