

Seeking support group research participants

- We are a research team investigating “A different grief: Assisted dying support groups for families and professionals.”
- We invite health and social care professionals who have supported a patient who died by assisted dying/the End of Life Choice Act to join a six-week grief support group at the Grief Centre, North Shore.
- This study will provide you with an opportunity to reflect on your journey with trained counsellors and 8-10 other people.
- For more information, please contact Dr Aida Dehkhoda at aida.dehkhoda@auckland.ac.nz or 04 887 3140 or complete this form [add link]
- Approved by the University of Auckland Health Research Ethics Committee (AHREC) #AH29601.
