## **ECON 416 LABOUR MARKETS**

Trimester 1 2006

### **COURSE OUTLINE**

#### **Contact Details**

Dr Malathi Velamuri (MV) [Course Co-ordinator]  
*RH314, Rutherford House, Pipitea Campus,  
23 Lambton Quay, Wellington  
Phone: 463-6413 email: malathi.velamuri@vuw.ac.nz*

Dr Dave Maré (DM) *email: dave.mare@motu.org.nz*  
Dr Steve Stillman (SS) *email: stillman@motu.org.nz*  
*Motu Economic and Public Policy Research,  
Level 1, 93 Cuba St, PO Box 24390 Wellington.  
Phone: 939-4250*

#### **Course Content:**

This course provides an in-depth study of the labour market behaviour of workers, firms, and households.

#### **Prerequisites:**

- Econ 201 – Microeconomics
- Quan 201 – Introduction to Econometrics

#### **Timetable:**

First trimester, Thursdays 11.30am-2:20pm in Railway Station 315 Sessions will be a mixture of formal lectures and group discussion.

#### **Assessment:**

Class assignments and discussion: 5%

*Participation in class discussions; Oral presentation to the class of one-page summaries of selected readings;*

Presentation should explain the a) research question, b) theoretical framework, c) empirical approach (data used, models estimated), d) results and e) questions raised (for example, were a, b and c reasonable and did author interpret the results in a correct and meaningful way).

Short assignments 15%  
*There will be three short empirical assignments, requiring students to carry out descriptive and regression analyses of selected labour data. Stata is the recommended econometric software.*

Long Assignments 40%

- *Literature review -topic to be provided (20%)*  
Prepare a critical review of the labour economics literature on a particular question (max 2500 words).
- *In-depth critical review of a specific paper - topic to be provided (20%)*  
Students should: (a) summarize the article, including its motivation, theoretical framework, critical assumptions, econometric methods used and main results; (b) critically assess the contribution of the paper; including the strengths and weaknesses of the paper's approach, appropriateness of theory, methods and data used, and whether the paper addresses an important issue and assessment of how convincing are the findings of the paper (max 2500 words).

Two-hour final examination: 40%

### Deadlines:

*Short Assignment One: Descriptive statistics and Labour supply 30 March 2006*

*Short Assignment Two: Human Capital Wage Equation 4 May 2006*

*Short Assignment Three: Wage Equation with Panel data 18 May 2006*

*Long Assignment One: Literature Review 27 April 2006*

*Long Assignment Two: Critical Review 1 June 2006*

Assignments handed in after the due date will incur a penalty of 1 point for every 24 hours that the assignment is overdue. (eg: for long assignments, 1 mark out of 20 will be deducted)

### Reading:

A reading list is provided for each of the topics. Students will be expected to obtain copies of the relevant readings. For most topics, required reading will be one survey article and 2 or 3 other relevant articles.

### Background textbooks and reference books:

The following books provide survey articles or introductions to the various topics. The first two references are highly recommended.

- G.J. Borjas *Labor Economics*, McGraw-Hill, (2<sup>nd</sup> ed. 2000)
- *Handbook of Labor Economics*. The latest volumes are volumes 3a, 3b and 3c edited by O. Ashenfelter and D. Card (North-Holland, 1999).
- The four volume set of books *Labor Economics*, edited by O.C. Ashenfelter and K.F. Hallock (Edward Elgar 1995) contains the most influential articles in the field until the mid 1990s.
- R.G. Ehrenberg and R.S. Smith *Modern Labor Economics*, Harper and Collins, (8<sup>th</sup> ed. 2002)
- Cahuc, P. and Zylberberg, A. (2004) *Labor Economics*, MIT Press, Cambridge, MA.

All major journals regularly publish articles on labour economics. There are also specialised journals on labour economics in the VUW library. There is no textbook specifically concerned with the New Zealand labour market.

## Course Objectives

By the end of the course, students should:

- 1) Have a thorough understanding of labour markets, including alternative theories, models and approaches to supply, demand and pricing of different types of labour.
- 2) Be able to apply this understanding to current issues in the international literature and with respect to the New Zealand labour market.
- 3) Have demonstrated this understanding and its application, particularly in written form (by means of formal analytical models or well argued and systematic discourse) and by oral presentation of this written work.

## Summary of Topics

- A) Introduction to Labour economics and empirical methods (1 class) [DM]
- B) Labour Supply (2 classes) [MV]
- C) Labour Demand (2 classes) [MV]
- D) Human Capital and earnings profiles (3 classes) [MV & SS]
- E) Group differences in labour market outcomes (2 classes) [SS]
- F) Labour market adjustment dynamics (2 classes) [DM]

### 1) A: Introduction to Labour economics and empirical methods [DM] 2 Mar 2006

#### General Approach

Cahuc, P. and Zylberberg, A. (2004) *Labor Economics*, MIT Press, Cambridge, MA.  
Introduction

Boyer, G. and Smith, R. (2000) The Development of the Neoclassical Tradition in Modern Labor Economics. *Industrial and Labor Relations Review*, **54(2)**, 199-223.

**Communication of Additional Information**

Additional information will be posted on Blackboard.

## **Faculty of Commerce and Administration Offices**

### Railway West Wing (RWW) - FCA Student Administration Office

The Student Administration Office is located on the ground and first floors of the Railway West Wing. The ground floor counter is the first point of contact for general enquiries and FCA forms. Student Administration Advisers are available to discuss course status and give further advice about FCA qualifications. To check for opening hours call the office on (04) 463 5376.

### Easterfield (EA) - FCA/Law Kelburn Office

The Kelburn Campus Office for the Faculties of Commerce & Administration and Law is situated in the Easterfield Building - it includes the ground floor reception desk (EA005) and offices 125a to 131 (Level 1). The office is available for the following:

- Duty tutors for student contact and advice.
- Information concerning administrative and academic matters.
- FCA Student Administration forms (e.g. application for academic transcripts, requests for degree audit, COP requests).
- Examinations-related information during the examination period.

Check with the Student Administration Office for opening times (04) 463 5376.

## **General University Policies and Statutes**

Students should familiarise themselves with the University's policies and statutes, particularly those regarding assessment and course of study requirements, and formal academic grievance procedures.

## **Student Conduct and Staff Conduct**

The Statute on Student Conduct together with the Policy on Staff Conduct ensure that members of the University community are able to work, learn, study and participate in the academic and social aspects of the University's life in an atmosphere of safety and respect. The Statute on Student Conduct contains information on what conduct is prohibited and what steps can be taken if there is a complaint. For queries about complaint procedures under the Statute on Student Conduct, contact the Facilitator and Disputes Advisor. This Statute is available in the Faculty Student Administration Office or on the website at: [www.vuw.ac.nz/policy/StudentConduct](http://www.vuw.ac.nz/policy/StudentConduct).

The policy on Staff Conduct can be found on the VUW website at: [www.vuw.ac.nz/policy/StaffConduct](http://www.vuw.ac.nz/policy/StaffConduct).

## **Academic Grievances**

If you have any academic problems with your course you should talk to the tutor or lecturer concerned or, if you are not satisfied with the result of that meeting, see the Head of School or the Associate Dean (Students) of your Faculty. Class representatives are available to assist you with this process. If, after trying the above channels, you are still unsatisfied, formal grievance procedures can be invoked. These are set out in the Academic Grievances Policy which is published on the VUW website:

[www.vuw.ac.nz/policy/AcademicGrievances](http://www.vuw.ac.nz/policy/AcademicGrievances).

## **Academic Integrity and Plagiarism**

Academic integrity is about honesty – put simply it means **no cheating**. All members of the University community are responsible for upholding academic integrity, which means staff and students are expected to behave honestly, fairly and with respect for others at all times.

Plagiarism is a form of cheating which undermines academic integrity. Plagiarism is **prohibited** at Victoria.

The University defines plagiarism as follows:

Plagiarism is presenting someone else's work as if it were your own, whether you mean to or not.

*'Someone else's work' means anything that is not your own idea, even if it is presented in your own style. It includes material from books, journals or any other printed source, the work of other students or staff, information from the Internet, software programmes and other electronic material, designs and ideas. It also includes the organization or structuring of any such material.*

### ***Plagiarism is not worth the risk.***

Any enrolled student found guilty of plagiarism will be subject to disciplinary procedures under the Statute on Student Conduct ([www.vuw.ac.nz/policy/studentconduct](http://www.vuw.ac.nz/policy/studentconduct)) and may be penalized severely. Consequences of being found guilty of plagiarism can include:

- an oral or written warning
- suspension from class or university
- cancellation of your mark for an assessment or a fail grade for the course.

Find out more about plagiarism and how to avoid it, on the University's website at: [www.vuw.ac.nz/home/studying/plagiarism.html](http://www.vuw.ac.nz/home/studying/plagiarism.html).

### **Students with Disabilities**

The University has a policy of reasonable accommodation of the needs of students with disabilities. The policy aims to give students with disabilities an equal opportunity with all other students to demonstrate their abilities. If you have a disability, impairment or chronic medical condition (temporary, permanent or recurring) that may impact on your ability to participate, learn and/or achieve in lectures and tutorials or in meeting the course requirements, then please contact the Course Coordinator as early in the course as possible. Alternatively you may wish to approach a Student Adviser from Disability Support Services to confidentially discuss your individual needs and the options and support that are available. Disability Support Services are located on Level 1, Robert Stout Building, or phoning 463-6070, email: [disability@vuw.ac.nz](mailto:disability@vuw.ac.nz). The name of your School's Disability Liaison Person can be obtained from the Administrative Assistant or the School Prospectus.

### **Student Support**

Staff at Victoria want students' learning experiences at the University to be positive. If your academic progress is causing you concern, please contact the relevant Course Co-ordinator, or Associate Dean who will either help you directly or put you in contact with someone who can.

The Student Services Group is also available to provide a variety of support and services. Find out more at [www.vuw.ac.nz/st\\_services/](http://www.vuw.ac.nz/st_services/) or email [student-services@vuw.ac.nz](mailto:student-services@vuw.ac.nz).

VUWSA employs two Education Coordinators who deal with academic problems and

provide support, advice and advocacy services, as well as organising class representatives and faculty delegates. The Education Office is located on the ground floor, Student Union Building, phone 463 6983 or 463 6984, email [education@vuwsa.org.nz](mailto:education@vuwsa.org.nz).

**Manaaki Pihipihinga Maori and Pacific Mentoring programme (Faculties of Humanities and Social sciences and Commerce and Administration).**

- **What:** Academic Mentoring for Maori and Pacific students studying at all levels in the above faculties. Weekly sessions for an hour with a mentor to go over assignments and any questions from tutorials or lectures. Registered students can use the faculty's study rooms and computer suite at any time at Kelburn and Pipitea.
- Mature student and Post grad network

If you would like to register as a mentor or mentee please contact the coordinator.

**Where:**

Melissa Dunlop  
Programme Coordinator  
Room 109 D  
14 Kelburn Parade: back courtyard  
Ph: (04) 463 6015  
Email: [Maori-Pacific-Mentoring@vuw.ac.nz](mailto:Maori-Pacific-Mentoring@vuw.ac.nz)

Please Note: A mentoring room will also be running at Pipitea Campus starting January. Please contact the Programme Coordinator for details.
