**Class Times and Room Numbers**

Wednesday 3.40-5.30pm – RWW 129

**Course Objectives**

This course has several objectives. These enable the student:

- To build an understanding of the political and environmental planning processes which impact upon the effective management of the resource base;
- To developing an understanding of how Maori currently participate in the planning processes in New Zealand;
- To build an understanding of the issues surrounding Maori economic development using current and future resources; and
- To invite discussion on the future direction of Maori and their resource base.

## **Course Content**

**MBUS 302** is an advancement on MBUS 201. Students will be exposed to some of the real issues Maori organisations face in trying to achieve and/or derive the best economic return from their land, assets and resources.

In excess of 80% of the total Maori asset base sits within the primary or commodity based sectors. Reliance such as this upon these sectors can 'expose' Maori vulnerability to such market and political force.

In tandem with this is the fact that Treaty settlements over the next 20 years will see a shift in economic power within New Zealand. This will have a marked effect upon the way New Zealand business will be transacted as Maori interface domestically and with the global markets.

Resource Management, encompassing effective asset/land management and integrated value-adding, affecting the best possible economic return from an asset or resource base is the core theme that flows from this paper.

Specific case studies involving iwi and Maori and how they are currently managing their resources will be studied also.

## **Expected Workload**

Workload expectations for this course are 10 hours per week for the 12 teaching weeks. These hours include attendance at lectures, workshops and tutorials. MBUS 301 is worth 24 points and therefore you are expected your expected workload is 40 hours during the mid-trimester break.

## **Readings**

There is no textbook for this course. Readings and case materials will be distributed during the course. Students are expected to read the assigned readings before the lectures (refer to Course Schedule).

Additional reading will occasionally be given out; these should be inserted into your folders.

Students are also encouraged to access the following relevant Internet websites at regular intervals throughout the course to keep informed of developments and locate resources for their research projects.

The Wakatu Corporation [www.wakatu.org.nz](http://www.wakatu.org.nz)

The 'incorporations website is comprehensive and provides access to their activities. See how a Maori corporate is managing their resources.

Te Puni Kokiri [www.tpk.govt.nz](http://www.tpk.govt.nz)

Provides access to current government initiatives, speeches and legislation relevant to Maori and contains a substantive link to relevant sites within New Zealand and around the world.

Te Putatara [www.maorinews.com/putatara](http://www.maorinews.com/putatara)

Offers a monthly candid critique of government policies on Maori and follows a diverse range of initiatives generated by Maori individuals and organisations.

Ministry for the Environment [www.mfe.govt.nz](http://www.mfe.govt.nz)

Provides significant information regarding research that has been performed within the sphere of not just the environmental and resource management but also Maori environmental management specific.

## **Materials and Equipment**

## Referencing

There are many different styles of referencing and the Faculty of Commerce & Administration at VUW has decided to make APA (American Psychological Association) referencing style the common standard across the Faculty. The Commerce and Central Libraries hold the APA Style Guide. You can also access the information from the online VUW library site (<http://www.vuw.ac.nz/library/resources/virtualref.shtml#style>).

## HANDING IN ASSIGNMENTS

**Students must prepare two copies of each hand-in and keep the second copy for their own reference. Students must also keep an electronic copy of their work archived in case the original assignment goes missing.** Failure to do so will jeopardise any claim by you that your work was submitted in the rare cases where your work goes astray.

## GRADING GUIDELINES

The following broad indicative characterisations of grade will apply in grading assignments and the exam:

A+	excellent performance in all respects
A	excellent performance in almost all respects
A-	excellent performance in many respects
B+	very good, some aspects excellent
B, B-	good but not excellent performance
C+, C	work satisfactory overall but inadequate in some respects
D	poor performance overall, some aspects adequate
E	well below the required standard

- K Failure to achieve mandatory course requirements and have achieved at least an average "C" over all the assessment.

### **PENALTIES - for Lateness & Excessive Length of Assignments**

- (i) In fairness to other students, work submitted after any deadline will incur a penalty for lateness. **The penalty is 2 of the marks available** for an assignment submitted after the due time on the due date **for each part day or day late. Saturdays, Sundays and public holidays** will be included when counting the number of days late. Assignments received **more than 7 days after the due date** will not be accepted and the student will **automatically fail the Mandatory Requirements**.
- (ii) Course Outlines provide a signal to student of forthcoming workload, dates of submission etc, and thus student study plans should take account of course requirements across all courses. Consequently, workload issues related to other courses and employment will not be accepted as reason for dispensation from mandatory requirements or waiver of penalties. **Extensions** to submission deadlines for any assigned work will only be granted in **exceptional circumstances**.
- (iii) Students who are unable to comply with any of the mandatory requirements should make a written application for an extension to the due date for submission of assigned work or for waiver of a penalty, **in advance**, to the Course Coordinator, providing documentary evidence of the reasons of their circumstances.

All such applications must be made **before** the deadline and be accompanied by documentary evidence, eg a medical certificate, or counsellor's report that indicates the degree of impairment, and for how long the student has been impaired. Please be sure to ask at the time of consultation for the degree of impairment to be stated in any certificate you provide to support your case.

- (iv) In the event of unusual or unforeseeable circumstances (e.g. serious illness, family bereavement), that precludes an application in advance, students should make contact with the Course Coordinator as soon as possible, and make application for waiver of a penalty as soon as practicable.

## **General University Policies and Statutes**

Students should familiarise themselves with the University's policies and statutes, particularly the Assessment Statute, the Personal Courses of Study Statute, the Statute on Student Conduct and any statutes relating to the particular qualifications being studied; see the Victoria University Calendar available in hard copy or under 'About Victoria' on the VUW home page at [www.vuw.ac.nz](http://www.vuw.ac.nz).

## **Student and Staff Conduct**

The Statute on Student Conduct together with the Policy on Staff Conduct ensure that members of the University community are able to work, learn, study and participate in the academic and social aspects of the University's life in an atmosphere of safety and respect. The Statute on Student Conduct contains information on what conduct is prohibited and what steps are to be taken if there is a complaint. For information about complaint procedures under the Statute on Student Conduct, contact the Facilitator and Disputes Advisor or refer to the statute on the VUW policy website at [www.vuw.ac.nz/policy/studentconduct](http://www.vuw.ac.nz/policy/studentconduct). The Policy on Staff Conduct can be found on the VUW website at [www.vuw.ac.nz/policy/staffconduct](http://www.vuw.ac.nz/policy/staffconduct).

## **Academic Grievances**

If you have any academic problems with your course you should talk to the tutor or lecturer concerned; class representatives may be able to help you in this. If you are not satisfied with the result of that meeting, see the Head of School or the relevant Associate Dean; VUWSA Education Coordinators are available to assist in this process. If, after trying the above channels, you are still unsatisfied, formal grievance procedures can be invoked. These are set out in the Academic Grievances Policy which is published on the VUW website at [www.vuw.ac.nz/policy/academicgrievances](http://www.vuw.ac.nz/policy/academicgrievances).

## **Academic Integrity and Plagiarism**

Academic integrity is about honesty – put simply it means **no cheating**. All members of the University community are responsible for upholding academic integrity, which means staff and students are expected to behave honestly, fairly and with respect for others at all times.

Plagiarism is a form of cheating which undermines academic integrity. The University defines plagiarism as follows:

*The presentation of the work of another person or other persons as if it were one's own, whether intended or not. This includes published or unpublished work, material on the Internet and the work of other student or staff.*

It is still plagiarism even if you re-structure the material or present it in your own style or words.

*Note: It is however, perfectly acceptable to include the work of others as long as that is acknowledged by appropriate referencing.*

Plagiarism is prohibited at Victoria and is not worth the risk. Any enrolled student found guilty of plagiarism will be subject to disciplinary procedures under the Statute on Student Conduct and may be penalised severely. Consequences of being found guilty of plagiarism can include:

- an oral or written warning
- cancellation of your mark for an assessment or a fail grade for the course
- suspension from the course or the University.

Find out more about plagiarism, and how to avoid it, on the University's website at [www.vuw.ac.nz/home/studying/plagiarism.html](http://www.vuw.ac.nz/home/studying/plagiarism.html).

## **Students with Impairments**

The University has a policy of reasonable accommodation of the needs of students with disabilities. The policy aims to give students with disabilities the same opportunity as other students to demonstrate their abilities. If you have a disability, impairment or chronic medical condition (temporary, permanent or recurring) that may impact on your ability to participate, learn and/or achieve in lectures and tutorials or in meeting the course requirements, please contact the Course Coordinator as early in the course as

possible. Alternatively you may wish to approach a Student Adviser from Disability Support Services (DSS) to discuss your individual needs and the available options and support on a confidential basis. DSS are located on Level 1, Robert Stout Building, telephone (04) 463 6070, email [disability@vuw.ac.nz](mailto:disability@vuw.ac.nz). The name of your School's Disability Liaison Person is in the relevant prospectus or can be obtained from the School Office or DSS.
