Tutorial Sessions:

Tutorial sign-up will be via Blackboard, COML 203 and should be done during the second week of term. The instructions for signing up are attached as page 5 of this Course Outline and will also be posted on the Announcement section of COML 203 on Blackboard. The completed tutorial list will be posted on the notice board on Mezzanine Floor of Rutherford House.

Each tutorial will meet weekly, starting in the fourth week of the course. The tutorial programme contains a number of topics, which are related to, and approximately in sequence with the lecture programme. These topics will be assigned to students who will be expected to deal with them orally for about five minutes, to be ready to lead any tutorial discussion that may arise and to present a written answer to their assigned question. Each student can expect to be asked to present an answer on a topic at approximately fortnightly intervals. The programme is flexible and your tutor may depart from it in some cases. Tutorial attendance counts towards the awarding of terms (i.e. the right to sit the final examination).

In-term test:

TBA.

It is expected that a students' workload in this course will be, on average, 15 hours a week.
