Course Objectives

Course Aims

This course provides an introduction to the principles, theories, technologies and applications in the e-commerce environment. The paper gives an overview of the impact of new technologies on commercial paradigms and practices, legal issues and business ethics.

Course Objectives

A student who has successfully completed this course, should:

- a) Understand the nature of Electronic Commerce
- b) Understand the business impact and potential of Electronic Commerce

- c) Understand the technologies required to make Electronic Commerce viable
- d) Understand the current drivers and inhibitors facing the business world in adopting and using Electronic Commerce
- e) Be able to explain the economic consequences of Electronic Commerce
- f) Understand the trends in Electronic Commerce and the use of the Internet.

Course Content

Lectures

Lectures will complement the online material and the readings but will NOT necessarily cover exactly the same material. The lecture sessions will offer a range of experiences including some or all of: discussions, case studies, web examples, guest speakers, critiques and alternative viewpoints on the topics. Lecture material will not necessarily be published in Blackboard and lecture slides will not necessarily be available. All lecture material is assessable.

Tutorial and Active Learning Sessions (2 hours)

At the beginning of each tutorial and active learning session you will hand in a brief to your tutor that discusses the week's topics (questions to motivate the discussion will be posted on Blackboard). Your tutor is there to help organise the sessions, and to facilitate both the full group and smaller groups to work proactively and independently on the tutorial and active learning exercises.

Timetable for lectures

Tutorials/Active Learning Timetable

Tutorial/Active Learning Sessions are two hours long. The time will be split between

- a Question & Answer session to cover any issues arising from the preceding lecture; and
- the discussion of the cases and other preparation material announced on BlackBoard (in the previous week).

Note: There will be no tutorial session in Week 1, 6, 7 or 12.

Expected Workload

There are 12 weeks of lectures, and 8 weeks of tutorials/active learning sessions; a 2 week mid-term break; and a study week before the examination period. The workload expectation for ELCM 211 in Trimester 1 will be about 16 hours per week. The times you should expect to spend each week in the following activities are set out below:

- 2 hours attending classes (1 x 2-hour classes);
- 1.3hours attending your tutorial and active learning session (1 x 2-hour session over 8 weeks);
- 4.7 hours background reading and pre-class/pre-tutorial preparation;
- 6 hours on assignments;
- 2 hours post-class review and final examination revision;

This is an average workload. Your actual workload will vary both with individuals and from week to week during the trimester.

Readings

The prescribed textbook provides a good summary of many key topics and issues and is well laid out and easy to read. You are expected to complete the required reading for each week.

Materials and Equipment

Lab Access

Information Systems and Electronic Commerce students have access to a range of computer lab facilities. This means that you can still undertake this course even if you don't have a computer at home. Like all university students you are able to use any SCS computer lab throughout the University (this includes labs in the Murphy building, the Library and in the Law School) as long as you have a current SCS account. If you don't have a current SCS account, contact either the SCS helpdesks in the library or the Murphy building. In addition, INFO and ELCM students have access to the purpose built school lab MY201. This lab is located on the second floor of the Murphy building. Please note that specialist software found in the SIM labs is not available in all the SCS labs (e.g. macromedia products).

MY 201 offers 24-hour access via student ID cards unless booked for another class. Please check the booking schedules on the lab doors before entering a laboratory to ensure that you are not interrupting a class, and you can finish your work before the next scheduled class. You may be asked to leave the lab by a supervisor if the machine you are using is required for a scheduled class. Please pack-up and leave the lab promptly if asked to do so. If you are sharing the lab with a scheduled class please use

machines furthest away from the projection screen first and avoid interrupting the taught class with noise.

The food and drink ban in the labs will be enforced, please respect this in order to keep the facilities clean and in good working order for everyone.

Assessment Requirements

Course assessment is divided up as follows. See the schedule below for due dates.

Assignment #1	25%
Assignment #2	20%
Tutorial/Active Learning	15%
Exam (2 hours)	40%
TOTAL	100%

Overview

Two assignments are set, both based around the **banking** industry in New Zealand. You will follow a strategy development methodology.

Assignment 1 (25%)

In this assignment, you will:

- Analyse the web presence of a specific industry
- Select a organization within the industry
- Describe the business benefits of the web-site
- Benchmark the chosen organization with other companies within the same industry
- Identify the key-items of the company's e-strategy

Detailed assignment and requirements will be posted on Blackboard. You will receive a hardcopy during the first lecture.

Due: **Monday, 23rd April, 13:00** – in the designated assignment hand-in box at the School of Information Management, first floor, Easterfield building.

Assignment 2 (20%)

In this assignment, you will:

- Identify the core competence of the organization chosen for assignment 1
- Identify direct competitors of the organization chosen for assignment 1
- Develop a SWOT analysis for the organization chosen for assignment 1
- Develop a strategic plan for the organization chosen for assignment 1

Detailed assignment and requirements will be posted on Blackboard. You will receive a hardcopy during Week 3.

Due: **Friday 25th May, 13:00** – in the designated assignment hand-in box at the School of Information Management, first floor, Easterfield building..

Tutorial Briefs and Active Learning (15%)

The tutorial briefs are a form of preparation for the tutorials and for the exam. At the beginning of each tutorial, you need to hand in a brief that discusses the week's tutorial topic (questions to motivate the discussion will be posted on Blackboard). This brief should be approximately one to two A4 pages long. Marks will also be earned based on student's participation during the active learning sessions.

Final exam (40%)

The final exam will be a short-essay style exam. You will be offered a choice of topics covering aspects of the lecture and tutorial material. More details about the exam will be provided during the course. This will be a 2 hr supervised examination held at Victoria University. The specific date, time

and location for the exam will be advised closer to the time. Unless otherwise stated, all material covered during the course will be assessable. Details will be advised closer to the date.

Assignment Submission

Your tutorial briefs must be handed to your tutor at the beginning of the tutorial in which it is due. Printed versions of Assignments #1 and #2 must be posted into the assignment hand-in box A4 by the nominated due dates. The assignment hand-in box is located on the first floor of the Easterfield Building, in the School of Information Management.

Penalties

In fairness to other students, work submitted after the deadline will incur a 10% penalty (of the marks achieved for the assignment) for each day late.

In the event of bereavement or prolonged illness affecting your ability to meet the deadline, discuss your situation with the Course Coordinator. You must verify your claim, e.g., produce a medical certificate. Extensions will only be granted under these conditions.

Important Notes:

- *No extension is possible based on a student's workload. You are expected to manage your workload to ensure there is sufficient time to complete assessments as required.*
- *You are expected to back up your work – From time to time files are lost, computers crash, etc., so it is critical that you get into the habit of backing up important files (on floppy disk or ZIP disk, for example).*
- *Do not leave submitting your work to the last minute – technology problems do occur (especially on the day an assignment is due). Be smart and submit it in plenty of time. Extensions will not be granted due to problems with submitting work.*
- *Working together – You are encouraged to discuss aspects of your assignments with others. However, when it is time to develop your solution, **the work must be ENTIRELY your own.** In this way, we will have your perspective on the topic - not someone else's!*

Mandatory Course Requirements (Terms)

In addition to achieving the minimum course mark required for a pass this course (50%), you must:

- Be **correctly enrolled** in the course.
- Attain **at least 50%** of the possible marks for the **final exam**.
- Attain a **weighted average over all assessments of at least 50%**.
- Attend **ALL tutorial and associated active learning sessions**.

Communication of Additional Information

All formal notices relating to this course will be posted on Victoria University's Blackboard system: <http://blackboard.vuw.ac.nz>

You are expected to check for announcements on Blackboard on a regular basis.

Use of Blackboard

Course Material: Basic course material and announcements will be published on Blackboard on a regular basis.

Announcements: The announcements page for the course will be used to distribute course announcements. You are required to check the announcements regularly.

Discussion Board: Moderated discussion forums will be provided for assignment work. Staff members will attempt to answer all reasonable questions. In some cases you may be requested to make an appointment as not all questions can be easily answered using this medium

Faculty of Commerce and Administration Offices

Railway West Wing (RWW) - FCA Student and Academic Services Office

The Faculty's Student and Academic Services Office is located on the ground and first floors of the Railway West Wing. The ground floor counter is the first point of contact for general enquiries and FCA forms. Student Administration Advisers are available to discuss course status and give further advice about FCA qualifications. To check for opening hours call the Student and Academic Services Office on (04) 463 5376.

Easterfield (EA) - FCA/Education/Law Kelburn Office

The Kelburn Campus Office for the Faculties of Commerce and Administration, Education and Law is situated in the Easterfield Building - it includes the ground floor reception desk (EA005) and offices 125a to 131 (Level 1). The office is available for the following:

- Duty tutors for student contact and advice.
- Information concerning administrative and academic matters.
- Forms for FCA Student and Academic Services (e.g. application for academic transcripts, requests for degree audit, COP requests).
- Examinations-related information during the examination period.

To check for opening hours call the Student and Academic Services Office on (04) 463 5376.

General University Policies and Statutes

Students should familiarise themselves with the University's policies and statutes, particularly the Assessment Statute, the Personal Courses of Study Statute, the Statute on Student Conduct and any statutes relating to the particular qualifications being studied; see the Victoria University Calendar available in hard copy or under 'About Victoria' on the VUW home page at www.vuw.ac.nz.

Student and Staff Conduct

The Statute on Student Conduct together with the Policy on Staff Conduct ensure that members of the University community are able to work, learn, study and participate in the academic and social aspects of the University's life in an atmosphere of safety and respect. The Statute on Student Conduct contains information on what conduct is prohibited and what steps are to be taken if there is a complaint. For information about complaint procedures under the Statute on Student Conduct, contact the Facilitator and Disputes Advisor or refer to the statute on the VUW policy website at www.vuw.ac.nz/policy/studentconduct. The Policy on Staff Conduct can be found on the VUW website at www.vuw.ac.nz/policy/staffconduct.

Academic Grievances

If you have any academic problems with your course you should talk to the tutor or lecturer concerned; class representatives may be able to help you in this. If you are not satisfied with the result of that meeting, see the Head of School or the relevant Associate Dean; VUWSA Education Coordinators are available to assist in this process. If, after trying the above channels, you are still unsatisfied, formal grievance procedures can be invoked. These are set out in the Academic Grievances Policy which is published on the VUW website at www.vuw.ac.nz/policy/academicgrievances.

Academic Integrity and Plagiarism

Academic integrity is about honesty – put simply it means **no cheating**. All members of the University community are responsible for upholding academic integrity, which means staff and students are expected to behave honestly, fairly and with respect for others at all times.

Plagiarism is a form of cheating which undermines academic integrity. The University defines plagiarism as follows:

The presentation of the work of another person or other persons as if it were one's own, whether intended or not. This includes published or unpublished work, material on the Internet and the work of other student or staff.

It is still plagiarism even if you re-structure the material or present it in your own style or words.

Note: It is however, perfectly acceptable to include the work of others as long as that is acknowledged by appropriate referencing.

Plagiarism is prohibited at Victoria and is not worth the risk. Any enrolled student found guilty of plagiarism will be subject to disciplinary procedures under the Statute on Student Conduct and may be penalised severely. Consequences of being found guilty of plagiarism can include:

- an oral or written warning
- cancellation of your mark for an assessment or a fail grade for the course
- suspension from the course or the University.

Find out more about plagiarism, and how to avoid it, on the University's website at www.vuw.ac.nz/home/studying/plagiarism.html.

Notice of Turnitin Use

Student work provided for assessment in this course may be checked for academic integrity by the electronic search engine <<http://www.turnitin.com>>. Turnitin is an on-line plagiarism prevention tool which identifies material that may have been copied from other sources including the Internet, books, journals, periodicals or the work of other students. Turnitin is used to assist academic staff in detecting misreferencing, misquotation, and the inclusion of unattributed material, which maybe forms of cheating or plagiarism. At the discretion of the Head of School, handwritten work maybe copy typed by the School and subject to checking by Turnitin. You are strongly advised to check with your tutor or the course coordinator if you are uncertain about how to use and cite material from other sources. Turnitin will retain a copy of submitted materials on behalf of the University for detection of future plagiarism, but access to the full text of submissions will not be made available to any other party.

Students with Impairments

The University has a policy of reasonable accommodation of the needs of students with disabilities. The policy aims to give students with disabilities the same opportunity as other students to demonstrate their abilities. If you have a disability, impairment or chronic medical condition (temporary, permanent or recurring) that may impact on your ability to participate, learn and/or achieve in lectures and tutorials or in meeting the course requirements, please contact the Course Coordinator as early in the course as possible. Alternatively you may wish to approach a Student Adviser from Disability Support Services (DSS) to discuss your individual needs and the available options and support on a confidential basis. DSS are located on Level 1, Robert Stout Building, telephone (04) 463 6070, email disability@vuw.ac.nz. The name of your School's Disability Liaison Person is in the relevant prospectus or can be obtained from the School Office or DSS.

Student Support

Staff at Victoria want students to have positive learning experiences at the University. Each Faculty has a designated staff member who can either help you directly if your academic progress is causing you concern, or quickly put you in contact with someone who can. Assistance for specific groups is

also available from the Kaiwawao Māori, Manaaki Pihipihinga or Victoria International.

In addition, the Student Services Group (email student-services@vuw.ac.nz) is available to provide a variety of support and services. Find out more at www.vuw.ac.nz/st_services/.

VUWSA employs Education Coordinators who deal with academic problems and provide support, advice and advocacy services, as well as organising class representatives and Faculty delegates. The Education Office (tel. 04 463 6983 or 04 463 6984, email education@vuwsa.org.nz) is located on the ground floor, Student Union Building.

Manaaki Pihipihinga - Maori and Pacific Mentoring Programme (Faculty of Commerce and Administration)

This is a mentoring service for Maori and Pacific students studying at all levels. Weekly one hour sessions are held at the Kelburn and Pipitea Campuses in the Mentoring Rooms, 14 Kelburn Parade, and Room 210 and 211, Level 2, Railway West Wing. Sessions cover drafting and discussing assignments, essay writing, and any questions that may arise from tutorials and/or lectures. A computer suite networked to Cyber Commons is available for student use.

To register with Manaaki Pihipihinga, please contact one of the following:

Puawai Wereta
Manaaki Pihipihinga Coordinator
Room 210, Level 2
Railway West Wing
Tel. (04) 463 8997
