Course Objectives

Students who are successful in this course will be able to appreciate:

1. The roles undertaken by accountants with respect to information systems;
2. The purpose, assumptions, functions and implications of accounting systems within an organisation;

3. Acquisition, documentation and management of accounting data;
4. Accounting systems within a wider societal context;
5. The risks associated with accounting systems and the control practices required to mitigate those risks;
6. The project methodology employed to develop, implement and maintain an accounting information system; and
7. The relationship between AIS and the accounting reporting function (including the impact of web-based technologies on accounting information systems).

The above objectives will be assessed via Mid-term and end of year examination.

Course Content

The course is separated into four topic areas:

1. Conceptual Underpinnings of Information Systems for Accounting (3 Weeks).

- Examinations-related information during the examination period.

To check for opening hours call the Student and Academic Services Office on (04) 463 5376.

Notice of Turnitin Use

Student work provided for assessment in this course may be checked for academic integrity by the electronic search engine <<http://www.turnitin.com>>. Turnitin is an on-line plagiarism prevention tool which identifies material that may have been copied from other sources including the Internet, books, journals, periodicals or the work of other students. Turnitin is used to assist academic staff in detecting misreferencing, misquotation, and the inclusion of unattributed material, which may be forms of cheating or plagiarism. At the discretion of the Head of School, handwritten work may be copy typed by the School and subject to checking by Turnitin. You are strongly advised to check with your tutor or the course coordinator if you are uncertain about how to use and cite material from other sources. Turnitin will retain a copy of submitted materials on behalf of the University for detection of future plagiarism, but access to the full text of submissions will not be made available to any other party.

General University Policies and Statutes

Students should familiarise themselves with the University's policies and statutes, particularly the Assessment Statute, the Personal Courses of Study Statute, the Statute on Student Conduct and any statutes relating to the particular qualifications being studied; see the Victoria University Calendar or go to www.vuw.ac.nz/policy.

Manaaki Pihipihinga Programme

Manaaki Pihipihinga is an academic mentoring programme for undergraduate Māori and Pacific students in the Faculties of Commerce and Administration, and Humanities and Social

Sciences. Sessions are held at the Kelburn and Pipitea Campuses in the Mentoring Rooms, 14 Kelburn Parade (back courtyard), Room 109D, and Room 210, Level 2, Railway West Wing. There is also a Pacific Support Coordinator who assists Pacific students by linking them to the services and support they need while studying at Victoria. Another feature of the programme is a support network for Postgraduate students with links to Postgraduate workshops and activities around Campus.

For further information, or to register with the programme, email manaaki-pihipihinga-programme@vuw.ac.nz or phone (04) 463 5233 ext. 8977. To contact the Pacific Support Coordinator, email pacific-support-coord@vuw.ac.nz or phone (04) 463 5842.

Detailed Tutorial Signup Instructions

1. Go to the signup website at: <https://signups.vuw.ac.nz>
2. Enter your SCS username and password to login the system.
3. The “Signup Home” page opens. It displays all courses you are enrolled for and that use the S-Cubed Tutorial & Workshop Signup system. Click on the course you wish to sign up for.
4. The selected course page opens. It will show the course contact and brief details of the signup instructions. A “key” is provided at the bottom that explains all buttons and what they do.
5. The schedule of tutorials includes the day/time, location, maximum group size, and spaces left in the tutorial sessions.
6. If there are spaces left in a particular session, you will see the “ENROL” button next to it. You can click this button to enrol yourself into that tutorial session.
7. If there are NO more spaces left in a particular session, you will see the “JOIN WAITLIST” button, if available. You can click this button to join the waitlist for that tutorial session. Please note that you will be removed from any other waitlist you may have joined earlier. If somebody withdraws from this session, you will automatically be moved up the waitlist or enrolled into the session. In this case you are enrolled in the session; an email will be sent to you if you are enrolled into the session from a waitlist.
8. You can only “JOIN WAITLIST” if you have already enrolled in one of the other available sessions. In other words, “ENROL” in one session and then you can choose to join the waitlist for another preferred session.
9. You can choose to “WITHDRAW” from a session you have already enrolled for. You can also choose to “CANCEL WAITLIST” to remove yourself from a particular waitlist.
10. A “FULL” button indicates all seats and waitlist are full for that tutorial session. You must choose another session.
11. More details on the various buttons are available in the “Key” section at the bottom of the signup page.
12. You should “ENROL” in only ONE tutorial session and may “JOIN WAITLIST” for only ONE other tutorial session.
13. You can login and signup (or change your signup) anytime before the **closing date of the tutorial signup. You will NOT be able to sign up or change your choice after the tutorial signups have closed.**
14. You can view/confirm details of the sessions you are enrolled and waitlisted for, such as day/time and location by clicking on “My Signups” on the left hand menu.
15. Click on “Support” on the left hand menu if you are having problems.

This online signup system is available around the clock over the internet. Any requests after this date will need to be manually handled by the course administrator. You will need to submit a written application stating the reason why you were not able to sign up on time using the online system, along with other relevant documentation such as medical certificate etc.

Finally, **you must always attend the tutorial sessions that you have signed up for.** If you attend a different session, your attendance may not be recorded.
