Course Delivery

The formal instruction in this course consists of 24 lectures of 50 minutes each, plus eight tutorials of 50 minutes each. Before attending the lectures, you should read the assigned chapter and any readings associated with the topic in your Course Materials book. Before each tutorial, students need to read and work through the tutorial questions. The Test and Final Exam will be set assuming students have attended all lectures and tutorials.

Tutorials

Eight tutorials will be held in the following weeks: 3, 4, 6, 7, 8, 9, 11, and 12.

Tutorial questions are included in the Course Materials Book. Your tutorial group number should be noted on **all** assignments. Tutorial attendance is critical to your ability to achieve an overall pass mark for the course, as material covered in tutorials not covered in lectures is also examinable.

Duty Tutor times: Please refer to Blackboard for times and room details.

Expected Workload

It is expected that a students' workload in this course will be, on average, 10 hours a week making a total of 150 hours. These 150 hours are comprised of 32 hours of lectures and tutorials; background reading for lectures - 36 hrs; tutorial preparation - 47 hrs; and review of material for the test and examination - 35 hrs.

Readings

- J Kothari and E Barone, *Advanced Financial Accounting – An International Approach*, Prentice Hall, 2010
- ACCY 231 Course Materials Book, Trimester 1 2012
- ACCY 231 Readings (given out in class)

Assessment Requirements

Assessment is based on Ten Quizzes worth 5%, Three Assignments worth 20%, a Test worth 30%, and an Exam worth 45%.

Students enrolled in this course are obliged to attend the Test that will take place during Week 5.

		<i>Weighting</i>
Three Assignments	variable weighting (see below)	20%
Ten quizzes	see below	5%
Test	Wednesday, 4 April	30%
Exam (Closed book; 2 hours)	Date to be advised by Faculty	45%

Material to be covered in the Test will be covered in lectures in weeks 1 – 4 (Lectures by Prof Baskerville). However, the final examination will be comprehensive, covering material from the whole course because your knowledge of the conceptual framework and asset and liability recognition are central to the learning objectives of this course.

Assignments

To facilitate efficient processing, please use the assignment coversheets available on Blackboard. Staple the completed coversheet to your assignment and place it in the relevant box on the Mezzanine Floor of Rutherford House by 2pm on the due dates shown below. **Late assignments will not be accepted.**

Assignments are due by 2pm on the following dates (Thursdays):

Assignment 1 (worth 6%):	Thursday March 22 by 2pm. <i>This is to be individually submitted.</i>
Assignment 2 (worth 7%):	Thursday May 3rd by 2pm
Assignment 3 (worth 7%):	Thursday May 24th by 2pm

If you wish to, you may submit assignment two and/or assignment three jointly with another student enrolled in ACCY 231. Both names and ID numbers must be on the coversheet. Three students are NOT permitted to submit together. All assignments will be marked and distributed back to you in the home tutorial (of the first student listed as submitter). If you cannot attend your home tutorial, you can collect your assignment from your home tutorial the next time you attend.

Keep your own copy of your assignment before you hand it in.

The Course Administrator should be contacted in relation to any changes to scheduled tutorial attendance and other inquiries of an administrative nature. Uncollected and misplaced assignment/essay inquiries should be directed to your tutor in the first instance; if unsuccessful please contact the Course Administrator.

Quality Assurance Note

Your assessed work may also be used for quality assurance purposes, such as to assess the level of achievement of learning objectives as required for accreditation and audit purposes. The findings may be used to inform changes aimed at improving the quality of FCA programmes. All material used for such processes will be treated as confidential, and the outcome will not affect your grade for the course.

Quiz Website

If you complete ten quizzes from the Kothari/Barron textbook website by midnight on 1 June you will be awarded 5% towards your final grade. The URL to the website is at www.pearsoned.co.nz/kothari. Do not try to find the URL via the Pearson website; it is unique for this class. When you have completed the quiz you submit it for grading, and then you must:

1. Send it to accy231.2012@gmail.com as well as
2. Send yourself a copy.
3. Your name must be surname then first name.
4. Be consistent about your name so the Administrator can monitor you have completed ten quizzes.
5. Ten must all be completed by midnight 1 June.

There are no extensions on this deadline. There is no exception for illness etc as you have eleven weeks to complete these. You will not receive the 5% for ten quizzes unless you have completed ten different chapter quizzes. No part marks. Each quiz completed must be on a different chapter. You can choose which ten you complete. If you do not meet this requirement you will be emailed after 4 June and advised that we have not sighted ten quizzes. If you dispute this, you are required to visit the lecturer. Issues surrounding non-completion cannot be dealt with by email.

Examinations

Students who enrol in courses with examinations are obliged to attend an examination at the University at any time during the formal examination period.

The final examination for this course will be scheduled at some time during the period from 9 June.

Materials Permitted in Test & Exam

Dictionaries: If you need to have a dictionary, please sit at the front of the class during the Test or Exam so that these may be easily checked.

No accounting standards are permitted in the Test or Exam

Penalties

No assignment or quiz submission will be accepted for assessment purposes after the deadline, unless accompanied by certification by a doctor or similar. Telephone and also personally visit the lecturer (not the Administrator) as soon as you are able.

However because it is a mandatory course requirement that a reasonable attempt is made at each of these assignments, students who do not meet the time deadlines must nevertheless submit the assignments in order to enable an assessment of whether the mandatory course requirement has been met.

Mandatory Course Requirements

To meet the mandatory requirements of this course, students must hand in all three assignments and score a mark of at least 40% in the Test.

Test papers

A guide to the test marking will be able to be downloaded from a link on Blackboard by the end of Week 7. You will be able to view your test paper as per the announcement on Blackboard after marks are released.

If you are unhappy with the mark awarded to any part of your Test script, any application for re-assessment needs to be made before 1pm on 15 May. The re-marks will be completed by 28 May. The application form for reassessment can be downloaded from Blackboard.

Class Representative

A class representative will be elected in the first class, and that person's name and contact details made available to VUWSA, the Course Coordinator and the class. The class representative provides a communication channel to liaise with the Course Coordinator on behalf of students.

Communication of Additional Information

Once you have registered for this course you should be able to connect to Blackboard at <http://blackboard.vuw.ac.nz>. If you are not registered, please contact the FCA office on the ground floor of Rutherford House. If you cannot access Blackboard after 48 hours please come to our office at RH708 where we can enrol you on Blackboard.

Email communication

The lecturers are unable to answer emails individually. Please feel very welcome to raise any issues with the Lecturer after class in the Foyer of Rutherford house, or visit or telephone the lecturer in their offices in Rutherford House. You will also find discussion with the Duty Tutor of value.

Use of Turnitin

Student work provided for assessment in this course may be checked for academic integrity by the electronic search engine <http://www.turnitin.com>. Turnitin is an on-line plagiarism prevention tool which compares submitted work with a very large database of existing material. At the discretion of the Head of School, handwritten work may be copy-typed by the School and subject to checking by Turnitin. Turnitin will retain a copy of submitted materials on behalf of the University for detection of future plagiarism, but access to the full text of submissions will not be made available to any other party.
