To ensure that you can use your legislation in the Mid-Trimester Test and Final Test, please note the following:

1. Your legislation must not contain any additional writing or notes (other than your name) - the legislation must be "clean" as it was when it was newly printed. It is, however, permissible to emphasis text in your legislation by underlining or using coloured highlighter pens.
2. The indexing of your legislation whether by tabs, the use of "Post-it" notes or any other means is prohibited.

3. Your legislation will be checked at the beginning of the Mid-Trimester Test and Final Test for compliance with these conditions.
4. Any student who does not have tax legislation to use in the tests because his/her text did not meet the above conditions or the student forgot to bring their legislation will **not** be able to borrow a replacement copy from the examiners or to share a copy with another student.
