Trimester Dates

From Monday 28 July to 7 October.

This is a self-taught course, running from Monday 28 July 2014 to Tuesday 7 October 2014. There is only one introductory class for this course which will be presented on Monday 28 July at 5.10 pm.

Withdrawal from Course

1. The standard last date for withdrawal from this course is Friday 19 September. After this date, students forced to withdraw by circumstances beyond their control must apply for permission on an 'Application for Associate Dean's Permission to Withdraw Late' including supporting documentation. The application form is available from either of the Faculty's Student Customer Service Desks.

Class Times and Room Numbers

There is only one introductory class for this course, presented on:

Monday 28 July 2014 at 5.10 pm to 6.00 pm in HMLT 205.

Course Delivery

Students should have access to the course text (see below).

On Tuesday 29 July 2014 and thereafter every Monday weekly problem exercises will be posted on Blackboard based on the topic for the week. The answers to the problems will be available on Blackboard the following Monday each week. All students will receive emails automatically to their myvictoria email address once the weekly materials are posted on Blackboard.

Group Work

There is no group work in this course.

Expected Workload

The total workload for this course could be expected to vary significantly from student to student depending on whether they have studied bookkeeping before.

Students who have not studied bookkeeping previously should plan to spend approximately 8 hours per week for 6 weeks prior to the second test.

Prescription

An examination of the principles and practice of bookkeeping. Note: This course is for students planning to enrol in 200-level accounting courses.

Course Learning Objectives

By the end of this course, students should be able to:

- Demonstrate through a test a mastery of the principles of bookkeeping;
- Carry out a basic bookkeeping exercise.

Course Content

The course will cover the accounting cycle from transactions to closing and reversing entries.

The *topics* in the course are:

- The Accounting System and The General Journal
- Accounting for GST
- The General Ledger
- Inventory methods
- Non-Current Assets and Depreciation
- Balance-day Adjustments
- Financial Statements

See the outline of the work plan on page 5.

Readings

Course Text Book: Bookkeeping ACCY 001 3rd Edition, Compiled by Carolyn Cordery and Farzana Tanima (A Pearson Custom Publication).

Materials and Equipment

Silent non-programmable calculators or silent programmable calculators with their memories cleared are permitted in the tests. A non-electronic, non-annotated foreign language to English dictionary may also be used in the tests.

Assessment

From Trimester 1, 2014, a revised Assessment Handbook will apply to all VUW courses: see <http://www.victoria.ac.nz/documents/policy/staff-policy/assessment-handbook.pdf>

There is only ONE item of assessment:

Course Test 100 minutes - Required pass mark is 75%

Note: no grades will be awarded for this course other than pass or fail.

The test will be offered three times in this trimester. Each student will be permitted two attempts at the Course Test. Any student that fails their first test should make a second attempt.

Test One: Tuesday 5 August 2014 at 6.00 pm
 Kelburn Campus

Test Two: Tuesday 23 September 2014 at 6.00 pm
 Kelburn Campus

Test Three: Tuesday 7 October 2014 at 6.00pm
 Kelburn Campus

Only those confident of passing the test should attempt Test One. If at that stage you obtain 75% or more the test, you need not take part in the course any further.

As with all University courses a result appears on your transcript. If you do not attempt any tests and you do not withdraw from the course you will fail the course and this will be noted on your student transcript. We encourage all students to give themselves two opportunities to sit a test.

Mandatory Course Requirements

None.

If you cannot complete an assignment or sit a test or examination, refer to www.victoria.ac.nz/home/study/exams-and-assessments/aegrotat

Communication of Additional Information

Additional information or information on changes will be conveyed to students by announcements in the introductory lectures and through notices on Blackboard. It is essential that students have access to Blackboard throughout the course.

Student feedback

Student feedback on University courses may be found at www.cad.vuw.ac.nz/feedback/feedback_display.php

Link to general information

For general information about course-related matters, go to

Note to Students

Your assessed work may also be used for quality assurance purposes, such as to assess the level of achievement of learning objectives as required for accreditation and academic audit. The findings may be used to inform changes aimed at improving the quality of VBS programmes. All material used for such processes will be treated as confidential, and the outcome will not affect your grade for the course.
