Assessment

From Trimester 2, 2014, a revised Assessment Handbook will apply to all VUW courses: see <http://www.victoria.ac.nz/documents/policy/staff-policy/assessment-handbook.pdf>.

In particular, there will be a new grade scheme, in which the A+ range will be 90-100% and 50-54% will be a C-.

1. Test 1: Thursday, 14 August at 6.50 pm

Pipitea Campus

Weighting: 20%

This test is 60 minutes long and can include any of the material introduced during lectures in the first four weeks of the trimester (weeks 1-4), including material subsequently reinforced during tutorials, assignments, and/or by any extra work given by the lecturer(s).

2. Test 2: Tuesday, 23 September at 6.00 pm

Pipitea Campus

Weighting: 20%

This test is 60 minutes long and can include any of the material introduced during lectures in weeks 5 to 8, including material subsequently reinforced during tutorials, assignments, and/or by any extra work given by the lecturer(s).

3. Final Examination, held during the examination period

Weighting: 60%

The final examination is two hours long and will predominantly consist of questions relating to a case study provided to students in week 12. The examination can cover any of the material covered during the 12-week trimester.

These assessments meet the course objectives by:

- Covering the majority of topics taught in the course.
- Integrating a case study, as completed in the mandatory assignments, into the examination.
- Assessing the understanding and application of management accounting tools and techniques and the evaluation of management accounting theories and concepts.

Examinations

Students who enrol in courses with examinations are obliged to attend an examination at the University at any time during the formal examination period. The final examination for this course will be scheduled at some time during the following period:

Friday 24 October – Saturday 15 November (inclusive)

Mandatory Course Requirements

In addition to obtaining an overall course mark of 50% or more, students must:

- Complete and submit on time a bona fide attempt (see definition on blackboard) at all **THREE** assignments.
- Attend at least **6 out of 8** tutorials.

An attendance register will be kept for tutorials. If you find it necessary to miss a tutorial please notify the tutor or Course Administrator *in advance*, so arrangements can be made for you to attend an alternative tutorial stream if possible. As emergencies and unexpected occurrences can occur, you are only required to attend 6 of the 8 tutorials as a mandatory course requirement, but you are strongly recommended to attend all 8 as the work covered in tutorials is highly relevant to course assessments.

You do not need to produce a medical certificate or other documentation if you only miss 1 or 2 of the 8 tutorials. *However if you attend less than 6 of the tutorials, you will fail the mandatory course requirements unless you are able to produce medical certificates or equivalent documentation for all tutorials missed.*

A list of those students who have not met the mandatory course requirement will be posted on Blackboard by 12 noon on **Thursday 23 October 2014**. Students who have not met the mandatory course requirement will receive a K, D or E grade for the course.

If you cannot complete an assignment or sit a test or examination, refer to www.victoria.ac.nz/home/study/exams-and-assessments/aegrotat

Class Representative

A class representative will be elected in the first class, and that person's name and contact details made available to VUWSA, the course coordinator and the class. The class representative provides a communication channel to liaise with the course coordinator on behalf of students.

Communication of Additional Information

Additional information concerning this course will be provided in lectures or posted on Blackboard

Student feedback

Student feedback on University courses may be found at www.cad.vuw.ac.nz/feedback/feedback_display.php

Link to general information

For general information about course-related matters, go to <http://www.victoria.ac.nz/vbs/studenthelp/general-course-information>

Note to Students

Your assessed work may also be used for quality assurance purposes, such as to assess the level of achievement of learning objectives as required for accreditation and academic audit. The findings may be used to inform changes aimed at improving the quality of VBS programmes. All material used for such processes will be treated as confidential, and the outcome will not affect your grade for the course.

Assignments

You have THREE assignments due to be handed in by 2 pm on the following days:

Assignment No 1: Wednesday 6 August 2014

Case – K2 ADVENTURE GEAR

Assignment No 2: Wednesday 10 September 2014

Case – SEATOUN SPORTS SHIRTS

Assignment No 3: Wednesday 8 October 2014

Case – BLUE DUCK BAR AND RESTAURANT

The questions for the assignments are in the Assignment and Tutorial Book.

The assignments are regarded as formative assessment and so your answers will be marked to give you appropriate feedback on your progress throughout the course, *but the actual marks awarded will not count towards your overall course assessment mark.*

For each assignment, complete the assignment cover sheet (available on blackboard) and staple it to your assignment. Place your assignment in the **ACCY 302 Box** on the mezzanine floor of Rutherford House no later than 2 pm on the due date. Assignments should be returned to you during the following tutorial session. The *suggested solutions* will be posted on Blackboard. Your assignments must be recorded as submitted in order to comply with the mandatory course requirements. However, recording errors and the loss of assignments do occur. For this reason, you may be required to re-submit some of your completed assignments. You should therefore retain a copy of each assignment you submit and also the returned, marked assignments.

Note: Lecturers may assign other examples as extra “homework”. Solutions to these, where available in electronic form, will be provided on Blackboard.

Late Assignment Penalties

Assignments must be handed in on the due date unless prior permission has been granted or unless proof of exceptional circumstances (e.g. a medical certificate in the event of illness) is produced. Any copying of assignment answers will be considered plagiarism and dealt with according to the policy outlined at <http://www.victoria.ac.nz/home/study/plagiarism.aspx>

Use of Turnitin

Student work provided for assessment in this course may be checked for academic integrity by the electronic search engine <http://www.turnitin.com> Turnitin is an on-line plagiarism prevention tool which compares submitted work with a very large database of existing material. At the discretion of the Head of School, handwritten work may be copy-typed by the School and subject to checking by Turnitin. Turnitin will retain a copy of submitted materials on behalf of the University for detection of future plagiarism, but access to the full text of submissions will not be made available to any other party.
