# **Readings**

*Course Text Book:* Bookkeeping ACCY 001 3<sup>rd</sup> Edition, Compiled by Carolyn Cordery and Farzana Tanima (A Pearson Custom Publication).

*Recommended Reading:* Schaum's Outline of Principles of Accounting I, 5<sup>th</sup> edition, McGaw-Hill, by Lerner & Cashin.

If you cannot complete an assignment or sit a test or examination, refer to www.victoria.ac.nz/home/study/exams-and-assessments/aegrotat

# **Expected Workload**

The total workload for this course could be expected to vary significantly from student to student depending on whether they have studied bookkeeping before.

Students who have not studied bookkeeping previously should plan to spend approximately 8 hours per week for 6 weeks prior to the second test.

#### Assessment

The Assessment Handbook will apply to all VUW courses: see <a href="http://www.victoria.ac.nz/documents/policy/staff-policy/assessment-handbook.pdf">http://www.victoria.ac.nz/documents/policy/staff-policy/assessment-handbook.pdf</a>.

There is only ONE item of assessment:

#### Course Test (100 minutes) - Required pass mark is 75%

Note: no grades will be awarded for this course other than pass or fail.

The test will be offered three times in this trimester. Each student will be permitted up to **two attempts** at the Course Test. Any student that fails their first attempt at the Course Test should make a second attempt.

Date & Time	Location	Event
Monday, 1 August 2016, 6:00 pm	HMLT 104	<u>Test 1</u>
Monday, 19 September 2016, 6:00 pm	TBA	Test 2
Monday, 3 October 2016, 6:00 pm	TBA	Test 3

Only those confident of passing the test should attempt Test 1. If at that stage you obtain 75% or more for the test, you need not take part in the course any further.

As with all University courses a result appears on your transcript. If you do not attempt any tests and you do not withdraw from the course, you will fail the course and this will be noted on your student transcript. We encourage all students to give themselves two opportunities to sit a test.

# **Group Work**

There is no group work in this course.

# **Materials and Equipment**

Silent non-programmable calculators or silent programmable calculators with their memories cleared are permitted in the tests. A non-electronic, non-annotated foreign language to English dictionary may also be used in the tests.

#### Student feedback

Student feedback on University courses may be found at www.cad.vuw.ac.nz/feedback/feedback\_display.php.

# **Class Representative**

A class representative will be elected in the first class, and that person's name and contact details made available to VUWSA, the course coordinator and the class. The class representative provides a communication channel to liaise with the course coordinator on behalf of students.

#### **Communication of Additional Information**

Additional information or information on changes will be conveyed to students by announcements in the introductory lectures and through notices on Blackboard. It is essential that students have access to Blackboard throughout the course.

# Link to general information

For general information about course-related matters, go to <a href="http://www.victoria.ac.nz/vbs/studenthelp/general-course-information">http://www.victoria.ac.nz/vbs/studenthelp/general-course-information</a>

#### **Note to Students**

Your assessed work may also be used for quality assurance purposes, such as to assess the level of achievement of learning objectives as required for accreditation and academic audit. The findings may be used to inform changes aimed at improving the quality of VBS programmes. All material used for such processes will be treated as confidential, and the outcome will not affect your grade for the course.
