Strategic Plan 2012-2015

Vision:

A New Zealand that promotes, values and supports effective volunteering for the benefit of individuals and communities.

Mission:

To promote, support and advocate for volunteering

Strategic Plan 2012 - 2015

Values:

- **Responsiveness:** We respond boldly with leadership and innovation, enabling the community and voluntary sector to achieve excellence and the best outcomes
- **Inclusiveness:** We recognise and value the diversity of all expressions of volunteering
- **Collaboration:** We work with our key strategic partners, stakeholders and members, to promote, value and support effective volunteering
- **Excellence:** We strive for excellence in all our activities

Our Goals

- Engaged people who strengthen communities
- Leadership through collaborative partnerships positively impacting society
