Seminar 4

Taxation issues for charities and not-for-profit organisations

*Victoria University of Wellington, Government Buildings, Lecture Theatre 1, 15 Lambton Quay, Wellington
Thursday, 26 February 2015*

This seminar will provide the opportunity for this and will cover:

- GST issues for not-for-profit entities in relation to branch registration and revenue generation
- Remuneration and tax
- Donations – definitions, overseas donations and donee status
- Tax obligations in relation to de-registration from Charities Services (especially if this is due to an organisational re-structure)
