1. **Purpose**

These regulations state the University’s requirements for the admission and enrolment of students.

2. **Application of regulations**

These regulations apply to staff members, students and prospective students, but not to learners enrolling only in micro-credentials.

### Regulations Content

3. **Admission**

   (a) Admission to the University makes a person eligible to apply for enrolment in a qualification or a Certificate of Proficiency at the University.

   (b) Admission is based on the applicant’s previous qualifications and other evidence of their academic preparation. It may be granted at entrance level (100-level) or, where an applicant has an appropriate background, above entrance level.

   (c) Except as provided for in section 8, admission is granted to an applicant only once.

   (d) Admission does not guarantee the applicant will be able to enrol in a particular programme of study.

4. **General admission requirements**

   (a) Admission to the University requires an applicant to be eligible under one of the categories in sections 5–8 below.

   (b) In addition, an applicant whose first language is not English or te reo Māori must demonstrate their competence in both written and spoken English in one of the following ways:

      (i) The applicant has satisfied the National Certificate of Educational Achievement (NCEA) university entrance literacy requirement (see section 5);

      (ii) At the discretion of the relevant admission authority (see section 6.3), if the qualification forming the basis of their application for admission was undertaken in a native English-speaking country or in a curriculum where English is the medium of instruction and assessment;

      (iii) The qualification that is the basis of their application for admission has been approved by the Vice-Provost (Academic) as meeting the minimum satisfactory requirements;

      (iv) The applicant has achieved at a satisfactory level in an approved English language test. The Vice-Provost (Academic) approves tests and minimum satisfactory
standards in each for students entering at pre-degree, undergraduate or graduate levels; or

Note: Approved tests and minimum satisfactory standards are listed at:
https://www.wgtn.ac.nz/international/applying/entry-requirements

(v) The Vice-Provost (Academic) (or for doctoral students, the Dean of the Faculty of Graduate Research) is satisfied that the applicant demonstrates an equivalent level of English language competence.

(c) Admission under any category except university entrance for domestic students (see section 5) is at the discretion of the University.

(d) Admission to the University is normally restricted to applicants who are at least 16 years of age by the first day of the trimester in which they wish to enrol. The Director, Student Academic Services, in consultation with the relevant Associate Dean, may approve admission for a younger applicant. An applicant who is declined admission under this provision may appeal to the Vice-Provost (Academic).

Note: The requirements in the Vulnerable Children Act 2014 must be taken into account for students aged under 18 years.

(e) The Provost will ensure admission processes are in place (including deadlines and requirements for documentation).

5. University entrance (for domestic or international students)

(a) The minimum standard required for entrance to a New Zealand University is established by the New Zealand Qualifications Authority and is defined in terms of specified achievement in NCEA.

Note: Refer to https://www.nzqa.govt.nz/qualifications-standards/awards/university-entrance

(b) Applicants who qualified for admission under earlier university entrance qualifications (New Zealand University Entrance, Bursaries and Scholarships examinations or the pre-2004 National Qualifications Framework) are also eligible to be admitted.

Note: Details of earlier university entrance qualifications are set out in the Admission and Enrolment Statute up until 2020.

6. Admission by qualification assessment (for domestic or international students)

Note: Admission by qualification assessment is also known as admission ad eundem statum.

6.1. Admission at entrance level

(a) Admission at entrance level allows a student to be considered for enrolment in a bachelor’s degree.

(b) An applicant who does not have a university entrance qualification as in section 5 may apply for admission at entrance level by qualification assessment if they have achieved at an equivalent level in any of:

(i) a recognised international university entrance qualification, including Cambridge International Examinations (CIE) and International Baccalaureate (IB).

Universities New Zealand specifies the required standards;

Note: Refer to the Universities New Zealand website http://www.universitiesnz.ac.nz/new-zealand-students/am-i-eligible/other-equivalent-qualifications.
(ii) a qualification awarded by an overseas secondary school, that the relevant authority (see section 6.3) considers to be equivalent to a New Zealand university entrance qualification;

Note: Decisions are made with reference to guidelines provided by Universities New Zealand.

(iii) a foundation studies programme that the relevant authority (see section 6.3) has approved as an entrance qualification; or

Note: Approved programmes are listed at: https://www.wgtn.ac.nz/international/applying/entry-requirements/undergraduate-academic-entry-requirements or contact the Wellington University International office.

(iv) a relevant completed qualification at New Zealand Qualifications Framework (NZQF) level 4 from a New Zealand tertiary institution.

6.2. Students with previous tertiary study

(a) A student may be admitted on the basis of qualification assessment (ad eundem statem) if they have completed:

(i) courses at NZQF level 5 or above from a New Zealand tertiary institution; or
(ii) degree-level courses or qualifications from a recognised overseas university or tertiary institution.

(b) Admission may be granted:

(i) at entrance level; or
(ii) above entrance level.

Note 1: Applications based on previous tertiary study will be subject to the criteria specified in the Academic Progress Regulations.

Note 2: Where admission is based on previous tertiary study, the student may be granted transfer credit under the Credit Transfer and Recognition of Prior Learning Regulations.

6.3. Responsibility

(a) Decisions on admission by qualification assessment are made by:

(i) the Director, Student Academic Services for non-doctoral domestic students;
(ii) the Assistant Vice-Chancellor (International) for non-doctoral international students.
(iii) the Dean of the Faculty of Graduate Research for admission to doctoral programmes.

(b) The Associate Dean or other relevant faculty or school staff must be consulted before admitting students above entrance level to ensure students can be appropriately placed in a programme of study.

(c) Where a person’s application for admission based on qualification assessment is declined, they may ask the Vice-Provost (Academic) to review the decision. If the application is declined on grounds relating to the applicant’s educational qualifications, they may appeal to the New Zealand Qualifications Authority.
7. Types of admission available only for domestic students

7.1. General requirements

(a) A domestic student who neither has a university entrance qualification (see section 5) nor meets the criteria for admission by qualification assessment (see section 6) may be eligible for discretionary entrance (see section 7.2) or special admission (see section 7.3) as set out below.

(b) The Associate Director, Student Academic Services (Management and Administration) is responsible for decisions under section 7.

(c) Decisions are based on consideration of:

(i) the applicant’s submission;

(ii) the applicant’s past academic achievements; and

(iii) evidence of the applicant’s ability to proceed with the proposed programme of study.

(d) Where an applicant’s application for discretionary entrance or special admission is declined, they may ask the Vice-Provost (Academic) to review the decision. If the application for discretionary entrance is declined on grounds relating to the applicant’s educational qualifications, they may appeal further to the New Zealand Qualifications Authority.

7.2. Discretionary entrance (under 20)

(a) Discretionary entrance is for domestic students who are under 20 years of age and have shown a high level of academic achievement in Year 12 or its equivalent, but who neither have a university entrance qualification (see section 5) nor meet the criteria for admission by qualification assessment (see section 6).

(b) To be considered for discretionary entrance, an applicant must normally have:

(i) a minimum of 14 credits at NCEA level 2 (or equivalent) in each of four subjects, at least three of which must be approved subjects and include some merit and/or excellence credits;

   Note: The New Zealand Qualifications Authority determines a list of approved subjects for the purposes of applying the university entrance standard, see https://www.nzqa.govt.nz/qualifications-standards/awards/university-entrance/approved-subjects/.

(ii) met the literacy and numeracy standards for university entrance, or their equivalents; and

(iii) not have undertaken Year 13 study beyond 1 June at a New Zealand secondary school.

Note: These criteria are based on the Discretionary Entrance Regulations, Guidelines and Procedures established by the New Zealand Vice-Chancellors’ Committee (also known as Universities New Zealand-Te Pōkai Tara) through the Committee on University Academic Programmes (CUAP).

(c) For applicants currently at school in New Zealand, evidence of their ability to proceed with the proposed programme of study must include a statement from the school principal (or their nominee). Otherwise a statement must be provided by an adviser appointed by the University.
(d) An applicant who has undertaken Year 13 study beyond 1 June at a New Zealand secondary school will not normally be admitted under the Discretionary Entrance provisions.  

Note: Such students may be eligible for Provisional Admission (see section 8(f)).

7.3. Special admission (20+)

(a) Special admission is for domestic students aged 20 years or over by the first day of the trimester for which admission is sought, who neither have a university entrance qualification (see section 5) nor meet the criteria for admission by qualification assessment (see section 6).

(b) In exceptional circumstances, the Associate Director, Student Academic Services (Management and Administration) may grant special admission to an applicant below the age of 20 who, in their opinion, is adequately prepared for university study. In such cases the student may be restricted to enrolment in a specified programme of study.

8. Provisional admission (for domestic or international students)

(a) An applicant who is not eligible for admission under any of the other categories in sections 5–7 may be granted provisional admission.

(b) An applicant granted provisional admission will have conditions placed on their enrolment, and may only enrol:

(i) with the approval of the relevant Programme Director, in a pre-degree qualification;

(ii) with the approval of the Associate Director, Student Academic Services (Management and Administration), in a Certificate of Proficiency; or

(iii) in exceptional circumstances, and with the approval of the Vice-Provost (Academic) in consultation with the relevant Associate Dean, in another qualification.

(c) Where an applicant is granted provisional admission, the University will specify the conditions they must meet to gain full admission.

(d) Once those conditions are met, the student’s status as fully admitted will be confirmed.

(e) If the student fails to meet the conditions, their admission will be revoked, and they must withdraw from the University. In this event, the student may complete courses they are currently registered in, but any courses they pass will not be credited to a qualification until they become eligible for, and are granted, admission.

(f) An applicant studying at a New Zealand secondary school may apply for provisional admission in the same year for the purpose of enrolling in courses offered in Trimester 3.

(i) To gain full admission, any such student must, in the following January, achieve a university entrance qualification (see section 5) or meet the criteria for admission by qualification assessment (see section 6), and then gain a place in a programme of study.

(ii) A student in this category who does not gain full admission will be required to withdraw from the University but may reapply for admission at mid-year.

(g) Decisions made under section 8(b)(i) or (ii) may be appealed to the Director, Student Academic Services. Decisions made under section 8(b)(iii) may be appealed to the Provost.
9. **False documentation**
   
   (a) If an admission application is based on documentation that the University considers may be false, the applicant may be refused admission, or if already admitted, have their admission revoked and enrolment terminated. Such decisions are made by:
   
   (i) the Director, Student Academic Services for non-doctoral domestic students;
   
   (ii) the Assistant Vice-Chancellor (International) for non-doctoral international students; or
   
   (iii) the Dean of the Faculty of Graduate Research for doctoral students.
   
   (b) The applicant or student may appeal a decision under section 9(a) to the Vice-Provost (Academic). Any appeal must be submitted within four weeks of the decision.

10. **Enrolment**

10.1. **General enrolment requirements**
   
   (a) To study at this University, a student must be fully enrolled for the relevant period.
   
   (b) A student’s enrolment and registration must be approved by the authority specified in the relevant regulations or procedure.

   *Note: Refer to qualification regulations, the Personal Courses of Study Regulations, Master’s Thesis Regulations and Doctoral Regulations: for PhD and other Doctorates with Theses. Enrolment in a doctoral programme must be approved by both the Faculty of Graduate Research (FGR) and the academic faculty in which the student will undertake their study.*

   (c) The Provost will ensure enrolment processes are in place.

   *Note 2: An enrolled student may change the set of courses for which they are registered as set out in the Personal Courses of Study Regulations.*

   (d) The University will not normally accept an application to enrol in a trimester after the beginning of that trimester, unless it is for a thesis programme. The Manager, Admissions and Enrolments may make an exception in consultation with the relevant Associate Dean.

10.2. **Enrolment criteria**

A student becomes fully enrolled for a defined period when the following conditions have been met:

   (a) The student:

   (i) has been admitted to the University (*refer to sections 3-8*);
   
   (ii) has been accepted into a qualification;
   
   (iii) has been offered and accepted registration in one or more courses in the relevant period;
   
   (iv) agrees to the enrolment terms and conditions;
(v) agrees to be bound by the statutes, policies, regulations and procedures of the University;
(vi) pays the required fees and levies (or makes and adheres to payment arrangements) by the relevant deadlines (refer to the Fees Policy); and
(vii) has met any conditions specified as part of their offer of enrolment.

(b) International students must also present a valid passport and appropriate visa.

10.3. Acceptance into qualifications

To be accepted into a qualification, a student must satisfy the following criteria (where they exist):

(a) Entry requirements stated in the relevant qualification regulations (unless the relevant authority waives these in accordance with the qualification regulations or the Personal Courses of Study Regulations).

(b) Additional criteria set by the Provost to manage entry to qualifications or courses. Such criteria may include provisions to support enrolment of students from identified equity groups.

Note 1: Information on the Guaranteed Entry Score (GES) for entry to undergraduate degrees is published in the current Guide to Undergraduate Study, available at https://www.wgtn.ac.nz/study/course-planning/publications.

Note 2: The University may limit the number of students who can enrol in a particular programme of study or course under the Course Scheduling and Constraints Policy.

(c) Criteria set by the Dean of the relevant faculty for enrolment in a programme of study where:

(i) these are required by an external professional accreditation agency; and/or
(ii) the programme of study requires students to undertake a placement or internship.

Note: The requirements for enrolment in a qualification leading to provisional registration as a teacher are set out at: https://www.wgtn.ac.nz/education/study/graduate-programmes

10.4. Registration in courses

(a) Within a period of enrolment, a student will be registered for one or more courses or, in the case of a thesis student, registered for supervision.

Note: the requirements for, and constraints on, registration in a course or thesis are set out in the relevant qualification regulations, the Personal Courses of Study Regulations, Master's Thesis Regulations and Doctoral Regulations: for PhD and other Doctorates with Theses.

(b) A student must be registered for a course to attend classes or be assessed in that course.

10.5. Period of enrolment

(a) Except for theses, the period of enrolment starts at the beginning of the first trimester for which the student is registered in a course for that academic year and ends immediately before the start of Trimester 1 in the following academic year.

(b) A thesis student is continuously enrolled from the beginning of their first period of registration until:

(i) they submit the completed thesis to the University library;
(ii) they withdraw from the degree;
(iii) the University terminates their enrolment; or
(iv) they fail the qualification.

Note: Refer to the Master’s Thesis Regulations, and the Doctoral Regulations: for PhD and other Doctorates with Theses:

- A student starting a master’s thesis is initially registered for a 12-month period beginning on their start date.
- A student starting a doctoral thesis is initially registered from their start date until 31 December that year. They are then automatically re-registered for 12 months.

11. Ceasing to be enrolled

A student ceases to be enrolled before the end of the relevant enrolment period if:

(i) they complete the qualification;
(ii) they advise the University in writing that they wish to withdraw from the qualification or from all their courses; or
(iii) the University terminates their enrolment; or

12. Refusal to enrol a student

12.1. Circumstances in which enrolment may be declined or terminated

(a) The Vice-Provost (Academic) may, in accordance with section 255(5) of the Education and Training Act, decline or terminate a student’s enrolment in a qualification, or their registration in some or all courses, where the student:

(i) has made insufficient academic progress at this or another institution (refer to the Academic Progress Regulations: https://www.wgtn.ac.nz/documents/policy/academic/academic-progress-regulations.pdf);
(ii) is enrolled full-time in another institution; or
(iii) is not of good character.

Note: In accordance with section 255(5) of the Education and Training Act, a student may also have their enrolment or registration declined or terminated as a result of misconduct. Refer to the Student Conduct Statute.

(b) The Vice-Provost (Academic) will decline or terminate an international student’s enrolment if they do not hold an appropriate visa.

(c) The Vice-Provost (Academic) may decline or terminate a student’s enrolment or registration if they fail to pay fees (refer to the Fees Policy for more details).

(d) The relevant Associate Dean may decline or terminate a student’s enrolment in a qualification or their registration in particular courses where the student fails to satisfy criteria set by the Dean under section 10.3(c).

Note: The Master’s Thesis Regulations, Doctoral Regulations: for PhD and other Doctorates with Theses and some qualification regulations also specify criteria that must be met for ongoing enrolment.
12.2. Appeals
(a) A student may appeal a decision made under section 12.1(a) or (b) by the Vice-Provost (Academic) to the Provost unless the relevant statute, policy or regulations specify otherwise.
(b) A student may appeal a decision made by the Associate Dean under section 12.1(d) to the Dean.
(c) Appeals must normally be made within four weeks of the decision.
