4.4 An Approver may not approve a new Policy Document or any amendment to a Policy Document which alters:

(a) their own delegated authority; or

(b) the delegated authority of a role, board or committee (including the Council, a Committee of Council, the Academic Board and a Committee of the Academic Board) where that alteration breaches the Delegations Statute or otherwise falls outside the delegated authority of the Approver.

Example 1: the Vice-Chancellor may approve a new Policy Document that alters the delegated authority of (for example) an SLT member (because the authority of SLT members is delegated by the Vice-Chancellor). The Vice-Chancellor may not approve a new Policy Document that alters the Vice-Chancellor’s own delegated authority or the delegated authority of the Academic Board (because the authority of the Vice-Chancellor and the Academic Board is delegated by the Council).

Example 2: the Academic Board may approve a new Regulation that alters the delegated authority of the Academic Committee or a role to whom the Academic Board has delegated authority. The Academic Board may not approve a new Regulation that alters the delegated authority of (for example) the Vice-Chancellor.

4.5 Before an amendment can be approved as a Minor Amendment, the Policy Office must first have confirmed that it is minor.

4.6 The General Counsel (for non-academic Policy Documents) or the Director, Academic Office (for academic Policy Documents) or the Principal Advisor, Research Policy (for research Policy Documents) may approve editorial corrections to text.

4.7 The Vice-Chancellor may:

(a) where it is necessary, just or equitable to do so, waive the requirements of any Policy Document (other than a Statute or any provision in a Policy Document that contains or reflects any legal, regulatory or external compliance requirements); or

(b) in exceptional circumstances (such as a major incident or emergency), approve urgent amendments to, or waive the requirements of, any Policy Document (other than a Statute or any provision in a Policy Document that contains or reflects any legal, regulatory or external compliance requirements) in order to respond to those circumstances. Any such amendment or waiver must be temporary in duration and must be reviewed as soon as practicable once the exceptional circumstances have finished.

4.7 New and amended Policy Documents take effect from the date specified in the Policy Document.

5. Policy Repository

5.1 The current approved version of each Policy Document will be stored in a central electronic repository on the University website. Previous versions of Policy Documents will be held by the Policy Office.

5.2 Local Requirements will be published on a web page maintained by the relevant Faculty or Central Service Unit and may also be stored in the central electronic repository.

5.3 Policy Documents available on the University’s central electronic repository remain in force, regardless of whether the review deadline has passed. However, the Vice-Chancellor may repeal a Policy Document (other than a Statute or any Policy Document that contains or reflects any legal, regulatory or external compliance requirements) if it has not been reviewed for five years.

   - Note: Formal consultation may not be required if the Sponsor and Policy Office considers that appropriate consultation has already occurred.
   - Policy Office may edit the Policy Document, or require the Policy Owner to edit, for compliance with Policy Framework requirements
   - Policy Office manages formal consultation process and compiles feedback.
   - Policy Owner (with Policy Sponsor) considers feedback and determines amendments as required
   - Policy Office carries out final Quality Check

     - communicates the approved document to the University community and carries out targeted communications as needed
     - coordinates implementation activities

7. Review

   - Policy Office contacts Policy Owner at least six months before the Review Date
   - Policy Owner leads review of the Policy Document in consultation with core stakeholders

   - No Change – Policy Sponsor informs Policy Office that Policy Document has been reviewed and no changes are required.
   - Policy Sponsor reports this to the relevant Approver and a new Review Date is applied
   - Amend – the process starts again at 2. Develop
   - Repeal – Sponsor brings a repeal recommendation to the Approver (via VC if necessary)
