

# Victoria University of Wellington

## Staff Publications and Theses

1997

Compiled by the Office for Research, Victoria University of Wellington,  
PO Box 600, Wellington, New Zealand.

This listing is a record of the publications produced by University staff, emeritus professors, honorary research associates and research students as a result of their university-related activities. It is primarily to demonstrate the range and quantity of publications produced in order to fulfil the University's reporting requirements.

The list is presented by Faculty and School, with publications divided into the following headings:

- Books
- Chapters/Journal Articles/Conference Papers
- Reports/Monographs/Review Articles.

Some publications are now available only through the Internet World Wide Web (WWW), instead of the more traditional printed media. Following bibliographic guidelines, the publication reference is given here as the WWW address (URL), followed by the date when that URL was checked for availability; e.g.
