Ideas for using technology in your teaching

What do you know about Zoom, eTV, Google docs, quiz apps?

Please come along to hear about how your colleagues have been using technology in their teaching.

This seminar will take the form of short presentations from Faculty staff including Anita, Delia, Judy, Sue, Vicki and also our digital teaching and learning guru Liam.

There will be a follow-up session on 21 October where you will be able to try out some of these technologies.
