EXPECTED WORKLOAD

The Humanities and Social Sciences Faculty Committee on Workloads and Assessment has laid down guidelines as to the number of hours per week which students are expected to devote to a course in order to maintain satisfactory progress. Students enrolling in a 300-level, one trimester, 24-point course should work on average 18 hours per week, including the 4 contact hours – i.e., in the case of ITAL 316, *14 hours of private study outside class time*.

TEXTS

Rosella Bozzone Costa, *Viaggio nell'italiano. Seconda edizione* (Turin: Loescher, 2004). The text is available from the Victoria Book Centre.

ASSESSMENT

Assessment for ITAL 316 is by in-term assessment, as follows:

- (i) 2 written tests (20% each);
- (ii) 2 assignments (10% each);
- (iii) 2 tutorial/AV tests (10% each);
- (iv) oral assessment (10%);
- (v) oral examination (10%).

The relevant dates for assessed work are detailed in the Course Programme.

The written tests and the assignments relate to students' competency in objectives (i), (ii), (iii) and (vi). The tutorial/AV tests, oral assessment and oral examination relate to objectives (iv) and (v).

MANDATORY COURSE REQUIREMENTS

In order to complete ITAL 316, students are required to do the following, unless specific exemptions have been agreed to:

- (i) attend a minimum of 80% of the oral (tutorial) and audio-visual (AV) classes;
- (ii) submit the 2 written assignments by the date indicated;
- (iii) sit the 2 written tests on the dates indicated;
- (iv) sit the 2 tutorial/AV tests on the dates indicated;
- (v) attend the oral examination at the appointed time.

To pass ITAL 316 students must meet the mandatory course requirements and achieve at least an average C over all assessment. Students who gain at least 50% of the course marks, but fail the course due to not satisfying a mandatory course requirement, will receive a K grade. Students who gain less than 50% will receive a D or an E grade, whether or not they have completed the mandatory course requirements.

The relation of grades to percentages, for any work and for the course as a whole, is as follows: A+ (85-100%), A (80-84%), A- (75-79%), B+ (70-74%), B (65-69%), B- (60-64%), C+ (55-59%), C (50-54%), D (40-49%), E (0-39%).

PENALTIES

The due dates for the assignments given in the Course Programme *must* be adhered to. Although work may be accepted late in special circumstances, the Course Co-ordinator should always be contacted on or before the due dates if there is a problem.

PRESENTATION OF ASSIGNMENTS

Tidy presentation of assignments is essential. Work may be typed or neatly handwritten. Crossings-out indicate that a piece of work is still at draft stage. Allow space for correction: leave a 4-centimetre margin and write on alternate lines. Do not write in pencil.

All assignments must include a cover sheet supplied or available from the SLC Reception on the sixth floor of Von Zedlitz (VZ 610). Assignments are to be handed into the Italian assignment slot located to the left of the SLC Reception area (VZ 610). Corrected work will be handed out in class. If you do not collect your work in class, you will be able to collect it from your lecturer. All work not collected will be destroyed after the date of the final written test.

TESTS AND IMPAIRMENT

The dates of the tests given in the Course Programme must be adhered to. You should always sit a test if humanly possible, obtaining a medical certificate if you wish to claim impairment. If you sit a test but believe your performance has been radically affected by some medical or other factor, inform the Course Co-ordinator immediately. If you fail the test, you may be able to claim impairment.

If you are unable to sit a test, for severe medical, personal or family reasons, you should do everything possible to notify the Course Co-ordinator, if necessary through the Administrator, before the test, or to get a friend or family member to do so on your behalf.

Only in cases of severe illness or other exceptionally difficult circumstances, which must normally be documented, can the Programme consider allowing students to sit a test at a different time from that indicated.

STUDENT REPRESENTATIVES AND STUDENT EVALUATIONS

In the second week of lectures, staff will facilitate the election of a class representative for each lecture group. Student reps are a valuable means of communication between teaching staff and students. In addition students can approach any member of staff individually to talk about the course as a whole, any particular aspect of it, or their own individual progress.

At the end of the course students may be asked to fill out questionnaires prepared by the University's Teaching and Development Centre. These questionnaires relate either to the course, or to an individual lecturer's contribution. They are an important part of the University's accountability process, and the results are helpful in the University's attempts to maintain and raise the standards of the education it offers.

COMMUNICATION OF ADDITIONAL INFORMATION

The Italian noticeboard is in the corridor outside the rooms (VZ 503 and VZ504). Additional information or information on changes will be conveyed to students either via class, noticeboards, Blackboard, or email.

ITALIAN CLUB, STUDENT FACILITIES

All students of Italian are encouraged to join the students' Italian Club and to participate in the cultural and social events organised. The Italian seminar room for tutorials and small classes is usually Von Zedlitz (VZ) 509, unless otherwise stated. Room Von Zedlitz (VZ) 603 is a *library* where Italian books, newspapers and magazines are available for borrowing and consultation.

LANGUAGE LEARNING CENTRE

The Language Learning Centre (Level 0, von Zedlitz Building) facilitates independent learning and supports the teaching of languages. The LLC is a friendly and supportive environment where you can immerse yourself in language and culture through access to a variety of multimedia language resources: everything from print, audio, DVDs, comprehensive computer software and access to live satellite TV in several languages.

Visit the Centre at any time for advice and assistance, and to study. It is open year-round, with extended hours during University trimesters.

ACADEMIC INTEGRITY AND PLAGIARISM

Academic integrity is about honesty – put simply it means no cheating. All members of the University community are responsible for upholding academic integrity, which means staff and students are expected to behave honestly, fairly and with respect for others at all times.

Plagiarism is a form of cheating which undermines academic integrity. The University defines plagiarism as: The presentation of the work of another person or other persons as if it were one's own, whether intended or not. This includes published or unpublished work, material on the Internet and the work of other students or staff. It is still plagiarism even if you re-structure the material or present it in your own style or words.

Note: It is however, perfectly acceptable to include the work of others as long as that is acknowledged by appropriate referencing.

Plagiarism is prohibited at Victoria and is not worth the risk. Any enrolled student found guilty of plagiarism will be subject to disciplinary procedures under the Statute on Student Conduct and may be penalized severely. Consequences of being found guilty of plagiarism can

include: an oral or written warning, cancellation of your mark for an assessment or a fail grade for the course, suspension from the course or the University.

Find out more about plagiarism, and how to avoid it, on the University's website:
www.victoria.ac.nz/home/studying/plagiarism.html

GENERAL UNIVERSITY STATUTES AND POLICIES

Students should familiarise themselves with the University's policies and statutes, particularly the Assessment Statute, the Personal Courses of Study Statute, the Statute on Student Conduct and any statutes relating to the particular qualifications being studied; see the *Victoria University Calendar* available in hardcopy or under "about Victoria" on the Victoria homepage at:http://www.victoria.ac.nz/home/about_victoria/calendar_intro.html
