Course delivery

This course is delivered through two one-hour lectures, a tutorial and an audiovisual class per week. The lectures will cover grammatical aspects of the Spanish language and the development of written skills. The tutorials will focus on the development of oral linguistic skills and the audiovisual classes will aim to develop listening comprehension skills. Both the tutorials and the audiovisual classes will require students' active participation in group exercises or activities.

Communication of additional information

The Spanish noticeboard is in the corridor outside vZ515. Additional information or information on changes will be conveyed to students either via class, noticeboards, Blackboard, or email.

Course prescription

This course is designed to introduce absolute beginners to the basics of the Spanish language through practice in speaking, listening, reading and writing. This course is for absolute beginners. It may not be taken by students with prior knowledge of the language.

Course content

This course introduces students to the basics of the Spanish language through practice in speaking, listening, reading and writing. The course is designed both as a foundation course for students intending to continue their studies in Spanish, and as a self-contained course for students seeking an introduction to Spanish pronunciation, elements of grammar, and basic vocabulary.

Learning objectives

The objectives of the course are as follows. Upon completing the course successfully you will be able to:

- (i) understand simple spoken Spanish;
- (ii) relate Spanish sounds to their written forms;
- (iii) pronounce a simple Spanish text with a fair degree of accuracy and fluency;
- (iv) demonstrate a knowledge of basic Spanish grammar;

- (v) write simple sentences about yourself, using present and past tenses and employing a basic vocabulary;
- (vi) demonstrate knowledge of the Spanish language appropriate to a variety of everyday situations.

Expected workload

The University Assessment Handbook has laid down guidelines as to the number of hours per week which students are expected to devote to a course in order to maintain satisfactory progress. Students enrolling in a 1-trimester 20-point course should work on average 13 hours per week including contact hours - i.e., in the case of SPAN 111, students should allow for 9 hours of private study outside class time.

Assessment requirements

SPAN 111 is 100% internally assessed.

Assessment for SPAN 111 is as follows:

Written Test 1 (1 hour)	20%
Written Test 2 (1 hour)	25%
Written Assignment	10%
Audiovisual Test 1 (1 hour)	10%
Audiovisual Test 2 (1 hour)	15%
5 verb and vocabulary quizzes	10%
In-class oral assessment	10%

The relevant dates for the pieces of assessed work are detailed in the Course Programme (at the end of this course outline). Students will be able to collect marked work from the SLC Reception area on the 6th floor of von Zedlitz. Uncollected work will be destroyed 3 months after the date of the final written test. The tests and written assignments measure students' competency in objectives (iv) to (vi) inclusive, as specified in section on Learning Objectives. The listening comprehension tests relate to objectives (i) and (ii), and the oral assessment relates to objective (iii).

Penalties

The due dates for the assignments given in the Course Programme must be adhered to. Although work may be accepted late in special circumstances, the Course Coordinator should always be contacted on or before

the due dates if there is a problem. The penalty for work presented late without prior approval is a 5% deduction per day.

Please note that no work for assessment will be accepted after 15 June 2012.

Mandatory course requirements

In order to pass SPAN 111, students are required to do the following, unless specific exemptions have been agreed to:

- (i) sit the written tests on the dates indicated;
- (ii) complete the written assignment by the due date.

Class Representative

A class representative will be elected in the first class, and that person's name and contact details will be available to VUWSA, the Course Coordinator and the class. The class representative provides a communication channel to liaise with the Course Coordinator on behalf of students. Class reps will attend a meeting with the Head of School to discuss how your courses are going and to raise any concerns or suggestions that they may have.

Presentation of assignments

Tidy presentation of assignments is essential. Work may be typed or neatly handwritten. Crossings-out indicate that a piece of work is still at draft stage. Allow space for corrections: leave a 4-centimetre margin and write on alternate lines (or double space if typing). Do not write in pencil. All assignments must include a cover sheet which will be attached to your Assignment Instructions and will also be available on Blackboard. Assignments are to be handed in to the Spanish Programme assignment slot located to the left of the SLC Reception area on the 6th floor of von Zedlitz. Please note that up to a maximum of 5% may be deducted for poorly presented assignments.

Tests and impairments

The dates of the tests given in the Course Programme must be adhered to. You should always sit a test if possible, obtaining a medical certificate if you wish to claim impairment. If you sit the test but believe your performance has been radically affected by some medical or other factors, inform the Course Co-ordinator immediately. If you fail the test, you may be able to claim impairment.

If it is quite impossible to sit a test, for severe medical, personal or family reasons, you should do everything possible to notify the Course Co-ordinator, if necessary through an Administrator, before the test, or to get a friend or family member to do so on your behalf. Only in cases of severe illness or other exceptionally difficult circumstances, which must normally be documented, can the Programme consider allowing students to sit a test at a different time from that indicated.

Academic integrity and plagiarism

Academic integrity means that university staff and students, in their teaching and learning are expected to treat others honestly, fairly and with respect at all times. It is not acceptable to mistreat academic, intellectual or creative work that has been done by other people by representing it as your own original work.

Academic integrity is important because it is the core value on which the University's learning, teaching and research activities are based. Victoria University's reputation for academic integrity adds value to your qualification.

The University defines plagiarism as presenting someone else's work as if it were your own, whether you mean to or not. 'Someone else's work' means anything that is not your own idea. Even if it is presented in your own style, you must acknowledge your sources fully and appropriately. This includes:

- Material from books, journals or any other printed source
- The work of other students or staff
- Information from the internet
- Software programs and other electronic material
- Designs and ideas
- The organisation or structuring of any such material

Find out more about plagiarism, how to avoid it and penalties, on the University's website: <http://www.victoria.ac.nz/home/study/plagiarism.aspx>
