Course delivery

This course is delivered through two lectures, one tutorial and one audiovisual class per week. The lectures will mainly cover grammatical aspects of the Spanish language and the development of written skills, such as written comprehension, translation of short and simple texts, and development of advanced written expression in general. The tutorials will focus on the development of oral linguistic skills and the audiovisual classes will aim to develop listening comprehension skills. Both the tutorials and the audiovisual classes will require students' active participation in group exercises or activities.

Communication of additional information

The Spanish noticeboard is in the corridor outside Seminar Room vZ515. Additional information or information on changes will be conveyed to students either via class, noticeboards, Blackboard, or email.

Course prescription

An intermediate level course, SPAN 215 builds on the skills developed in SPAN 112 or NCEA Level 3 in Spanish to enable students to achieve greater oral and written accuracy in the Spanish language. The teaching of the language is reinforced through written exercises, reading comprehension activities, set assignments and audio-visual work.

Learning objectives

The aim of the course is to improve students' competence in both spoken and written Spanish. The teaching of the language is reinforced through written exercises, reading comprehension activities and set assignments. Emphasis is placed on practical work and the development of communicative abilities through audiovisual activities.

The objectives of the course are as follows. Students passing the course should be able to:

- (i) understand Spanish spoken at reasonable speed by native speakers of both Peninsular and Latin American Spanish;
- (ii) read aloud in Spanish with reasonable accuracy and fluency;
- (iii) express ideas in written and spoken Spanish on a number of basic topics dealt with in class, showing that you have assimilated the rules of grammar and syntax, as well as much of the vocabulary, studied during the year;
- (iv) understand and translate into good Spanish sentences of medium difficulty.

Expected workload

The University Assessment Handbook has laid down guidelines as to the number of hours per week which students are expected to devote to a course in order to maintain satisfactory progress. Students enrolling in a one trimester 20-point course should work on average 13 hours per week including contact hours - i.e., in the case of SPAN 215, 9 hours of private study outside class time.

Readings

Essential texts: M. Bretz, T. Dvorak, C. Kirschner and R. Branddorfer, *Pasajes: Lengua*, 7th edition, (McGraw Hill, 2006). The textbook is accompanied by a workbook.

Assessment requirements

SPAN 111 is 100% internally assessed.

Assessment for SPAN 215 is as follows:

Written Test 1 (1 hour) 20% Written Test 2 (1 hour) 30%

Written Assignment	15%
Audiovisual Test 1 (1 hour)	10%
Audiovisual Test 2 (1 hour)	10%
Final Oral Test	15%

The relevant dates for the pieces of assessed work are detailed in the Course Programme. Students will be able to collect marked work from the SLC Reception area on the 6th floor of von Zedlitz. Uncollected work will be destroyed 3 months after the date of the final written test. The written tests and written assignments measure students' competency in objectives (ii) to (iv) inclusive, as specified in the section on Learning Objectives. The audiovisual tests relate to objectives (i) and (iv), and the final oral test relates to objectives (i) to (iii) inclusive.

Penalties

The due dates for the assignments given in the Course Programme must be adhered to. Although work may be accepted late in special circumstances, the Course Coordinator should always be contacted on or before the due dates if there is a problem. The penalty for work presented late without prior approval is a 5% deduction per day. In addition, please note that up to a maximum of 5% may be deducted for poorly presented assignments.

Please note that no work for assessment will be accepted after 15 June 2012.

Mandatory course requirements

In order to pass SPAN 215, students are required to do the following, unless specific exemptions have been agreed to:

- (i) sit the written tests on the date indicated;
- (ii) complete the written assignment by the due date;
- (iii) attend the oral test at the appointed time;

In order to pass SPAN 215 a student must meet the mandatory course requirements and achieve at least an average of a "C" over all the assessment.

Class Representative

A class representative will be elected in the first class, and that person's name and contact details will be available to VUWSA, the Course Coordinator and the class. The class representative provides a communication channel to liaise with the Course Coordinator on behalf of students. Class reps will attend a meeting with the Head of School to discuss how your courses are going and to raise any concerns or suggestions that they may have.

Presentation of Assignments

Tidy presentation of assignments is essential. Work may be typed or neatly handwritten. Crossings-out indicate that a piece of work is still at draft stage. Allow space for corrections: leave a 4-centimetre margin and write on alternate lines or double space if typing. Do not write in pencil.

All assignments must include a cover sheet provided or available from the SLC Reception. Assignments are to be handed in to the Spanish assignment slot located to the left of the SLC Reception area on the 6th floor of von Zedlitz.

Academic Integrity and Plagiarism

Academic integrity means that university staff and students, in their teaching and learning are expected to treat others honestly, fairly and with respect at all times. It is not acceptable to mistreat academic, intellectual or creative work that has been done by other people by representing it as your own original work.

Academic integrity is important because it is the core value on which the University's learning, teaching and research activities are based. Victoria University's reputation for academic integrity adds value to your qualification.

The University defines plagiarism as presenting someone else's work as if it were your own, whether you mean to or not. 'Someone else's work' means anything that is not your own idea. Even if it is presented in your own style, you must acknowledge your sources fully and appropriately. This includes:

- Material from books, journals or any other printed source
- The work of other students or staff
- Information from the internet
- Software programs and other electronic material
- Designs and ideas
- The organisation or structuring of any such material

Find out more about plagiarism, how to avoid it and penalties, on the University's website: http://www.victoria.ac.nz/home/study/plagiarism.aspx
