Penalties

The due dates for the assignments given in the Course Programme *must* be adhered to. Although work may be accepted late in special circumstances, the Course Coordinator should always be contacted on or before the due dates if there is a problem.

The penalty for work presented late without prior approval is a *5% deduction per day*. In addition, please note that up to a *maximum of 5%* may be deducted for poorly presented assignments.

Please note that no work for assessment will be accepted after 21 June.

Mandatory course requirements

In gain a pass in ITAL315, students are required to do the following, unless specific exemptions have been agreed to:

- (i) attend a minimum of 80% of the oral (tutorial) and audio-visual (AV) classes;
- (ii) submit the 2 written assignments by the date indicated;
- (iii) sit the 2 written tests on the dates indicated;
- (iv) sit the 2 tutorial/AV tests on the dates indicated;
- (v) attend the oral test at the appointed time.

Class representative

A class representative will be elected in the first class, and that person's name and contact details will be available to VUWSA, the Course Coordinator and the class. The class representative provides a communication channel to liaise with the Course Coordinator on behalf of students. Class reps will attend a meeting with the Head of School to discuss how your courses are going and to raise any concerns or suggestions that they may have. You can find out more information on Class Representatives on the [VUWSA website](#).

Presentation of assignment

Tidy presentation of assignments is essential. Work may be typed or neatly handwritten. Crossings-out indicate that a piece of work is still at draft stage. Allow space for correction: leave a 4-centimetre margin and write on alternate lines. Do not write in pencil.

All assignments must include a cover sheet available from the SLC Office on the sixth floor of von Zedlitz (vZ610). Assignments are to be handed into the Italian assignment slot located to the left of the SLC Office (vZ610). Corrected work will be handed out in class. If you do not collect your work in class, you will be able to collect it from the SLC Office (vZ610). All work not collected will be destroyed three months after the date of the final written test.

Tests and impairments

The dates of the tests given in the Course Programme *must* be adhered to. You should always sit a test if humanly possible, obtaining a medical certificate if you wish to claim impairment. If you sit a test but believe your performance has been radically affected by some medical or other factor, inform the Course Coordinator *immediately*. If you fail the test, you may be able to claim impairment.

If you are unable to sit a test, for severe medical, personal or family reasons, you should do everything possible to notify the Course Coordinator, if necessary through the Administrator, *before* the test, or to get a friend or family member to do so on your behalf.

Only in cases of severe illness or other exceptionally difficult circumstances, which must normally be documented, can the Programme consider allowing students to sit a test at a different time from that indicated.

Academic integrity and plagiarism

Academic integrity means that university staff and students, in their teaching and learning are expected to treat others honestly, fairly and with respect at all times. It is not acceptable to mistreat academic, intellectual or creative work that has been done by other people by representing it as your own original work.

Academic integrity is important because it is the core value on which the University's learning, teaching and research activities are based. Victoria University's reputation for academic integrity adds value to your qualification.

The University defines plagiarism as presenting someone else's work as if it were your own, whether you mean to or not. 'Someone else's work' means anything that is not your own idea. Even if it is presented in your own style, you must acknowledge your sources fully and appropriately. This includes:

- Material from books, journals or any other printed source
- The work of other students or staff
- Information from the internet
- Software programs and other electronic material
- Designs and ideas
- The organisation or structuring of any such material
