## **12 ACADEMIC INTEGRITY AND PLAGIARISM**

Academic integrity means that University staff and students, in their teaching and learning are expected to treat others honestly, fairly and with respect at all times. It is not acceptable to mistreat academic, intellectual or creative work that has been done by other people by representing it as your own original work.

Academic integrity is important because it is the core value on which the University's learning, teaching and research activities are based. Victoria University's reputation for academic integrity adds value to your qualification.

The University defines plagiarism as presenting someone else's work as if it were your own, whether you mean to or not. 'Someone else's work' means anything that is not your own idea. Even if it is presented in your own style, you must acknowledge your sources fully and appropriately. This includes:

- material from books, journals or any other printed source
- the work of other students or staff
- information from the internet
- software programmes and other electronic material
- designs and ideas, and
- the organisation or structuring of any such material.

Find out more about plagiarism, how to avoid it and penalties, on the University's website: [www.victoria.ac.nz/home/study/plagiarism](http://www.victoria.ac.nz/home/study/plagiarism)

## **14 WITHDRAWAL DATES**

Have you changed your mind about the courses you want to do this trimester? If you do not withdraw from a course in time, you will receive a fail grade. A fail grade stays permanently on your academic record. You can avoid the fail grade by withdrawing properly from courses before it is too late.

It is not enough just to stop attending lectures and tutorials, or to tell your lecturer or school administrator. You must complete a course add/drop form, available from your Faculty, Student and Academic Services Office, and submit it by the due dates specified at:

[www.victoria.ac.nz/home/admisenrol/payments/withdrawlsrefunds](http://www.victoria.ac.nz/home/admisenrol/payments/withdrawlsrefunds)
