Course learning objectives (CLOs)

Students who have successfully completed this course will be able to:

1. compose music for large and small ensembles in the jazz idiom, using computer notation software
2. demonstrate ability in areas of melodic, harmonic, rhythmic and orchestrational development in the jazz idiom
3. prepare compositions (scores and parts) for a recital, and rehearse a student ensemble to a level that allows for a fair representation of selected pieces.

These learning objectives contribute to the NZSM Graduate Attributes. For a full list, please see www.nzsm.ac.nz/study-careers/graduate-attributes

Teaching format

This course comprises 1 lecture/workshop per week.

See attached course syllabus for more information.

Mandatory course requirements

In addition to achieving an overall pass mark of 50%, students must:

- a) complete each item of assessment worth at least 10%. Where the item contains multiple subcomponents (e.g., a portfolio of journal entries, or similar), students must complete at least 50% of those subcomponents.
- b) attend at least 80% of lectures and 80% of tutorials (if relevant) related to this course, unless absence is due to verified medical reasons, or advance permission for absence has been given by the lecturer.
- c) present a recital of at least three original compositions completed during the trimester. Selections are to be presented to a standard that allows for an accurate representation of each piece. Selection of compositions for the recital, and musicians, will be made in consultation with the Course Coordinator.
- d) attend at least 2 of the Composer Workshops held during the trimester of enrolment in this course.

Workload

A 15-point one-trimester course should require at least 150 hours' work (including class time). This means that during the trimester, the mid-trimester break and study week you should be prepared to spend, on average, 10 hours per week involved in activities such as attending classes, reading, listening to recommended recordings and preparing assignments.

Assessment

Approved assessment regime

The following assessment regime has been approved by the NZSM Academic Committee:

There are two items of assessment:

- 1. Graded lessons and 12 weekly assignments. Related to learning objectives 1–2 (60%)*
- 2. Final Portfolio of at least 10 compositions, of a scope approved by the supervisor. Related to learning objectives 1–3 (40%)*

Extensions

Students, who for exceptional reasons can justify an extension for an item of assessment, must apply to the Course Coordinator *before* the due date. Please note that no extensions can be granted for tutorial assignments.

Penalties

Assignments must be submitted by the due dates. In fairness to other students, unless a medical certificate is produced, assessment submitted after 5:00pm on the due date will be subject to a 5% demerit on your grade, increasing by 5% each further working day it is overdue.
