#### Recital Assessment Procedures

Three copies of your programme notes, a hard copy of your performance journal and **one** copy of each score to be performed in the recital must be provided for the use of the assessment panel. These are to be submitted to the NZSM office in Kelburn no later than 5 working days before the date of your recital.

Submission of the above items is a part of your recital assessment, and you need to complete all components of this assessment in order to meet mandatory requirements. The regulations for submission of written work are outlined below: late submission of any of these items will incur the penalties stated below, unless an extension has been granted in writing by the Programme Leader for Classical Performance.

Programme notes are to be set out as outlined in the NZSM Programme Note Style Sheet made available on Blackboard in the Classical Performance Student Handbook. Instructions for the journal content are also available on Blackboard and outlined in the same Handbook.

The scores provided for the panel (**one** copy only of each work) must be in the key and edition you are performing and give the accompaniment where applicable. Original copies are preferred unless these are particularly bulky. If you do not provide originals for the recital panel, for copyright

reasons you should still have an original copy of each work present at the recital performance. In most cases you can borrow these from the Victoria/Massey library or from your teacher.

Students are responsible for the production and duplication of programme notes for the panel and any extra copies they wish to make available for audience members.

Stage management – where necessary, you are responsible for arranging a stage manager for your recital.

**Recital Assessment panel:**

The assessment panel will consist of your teacher (or a nominated representative), an internal examiner and a year's moderator.

**Recital Assessment Reports:**

Reports for performance recitals will be available from the Programme Administrator (either via e-mail or from the NZSM office at Kelburn) on request. If not requested earlier, reports will be emailed to students after grades have been published.

**Performance Journal:**

Your performance journal is due in on the last teaching day of Trimester 2 (Friday 16 October 2015). Late submission will incur the penalties stated below, unless an extension has been granted in writing by the Programme Leader for Classical Performance.

The journal includes informal logs (minimum of 50 words per log) covering your individual lessons, concert reviews, choir rehearsals and performance (if applicable), and performance workshops.

The template for the Performance Journal can be found on Blackboard.

**Concert attendance – Option 1:**

You must attend 20 concerts throughout Trimesters 1 and 2 and complete a log for each as part of your Performance Journal assessment. Minimum of 10 concerts must be NZSM events as described on a list of events provided by the Classical Performance Programme Administrator on Blackboard. At least 10 attendances must be completed and any external events tickets handed in to the office by the end of Trimester 1 (Friday 5 June). All remaining external events tickets must be handed in to the office by the final teaching day of Trimester 2, Friday 16 October. External concerts are approved if they are performed/organised by the NZ Symphony Orchestra, Chamber Music New Zealand, NZ Opera, Wellington Chamber Orchestra, NZ String Quartet, NZ Piano Quartet, National Youth Orchestra, National Youth Choir, Secondary Students' Choir, Wellington Youth Orchestra, Orchestra Wellington. If in doubt about whether a concert will be counted, contact either the Programme Administrator or Programme Leader for Classical Performance beforehand to check.

**Concert and Choir attendance – Option 2:**

You must attend 10 concerts throughout Trimesters 1 and 2 and complete a log for each as part of your Performance Journal assessment. Minimum of 5 concerts must be NZSM events as described on a list of events provided by the Classical Performance Programme Administrator on Blackboard. At least 5 attendances must be completed and any external events tickets handed in to the office by the end of Trimester 1 (Friday 5 June). All remaining external events tickets must be handed in to the office by the final teaching day of Trimester 2, Friday 16 October. External concerts are approved if they are performed/organised by the NZ Symphony Orchestra, Chamber Music New Zealand, NZ Opera, Wellington Chamber Orchestra, NZ String Quartet, NZ Piano Quartet, National Youth Orchestra, National Youth Choir, Secondary Students' Choir, Wellington Youth Orchestra, Orchestra Wellington. If in doubt about whether a concert will be counted, contact either the Programme Administrator or Programme Leader for Classical Performance beforehand to check.

At NZSM events an NZSM representative will be present and will carry a register of all undergraduate solo PERF students. You must be signed on to the register before the concert begins in order for it to be counted as part of your total.

### **Choir attendance:**

You must sign up for one trimester of rehearsals (including performance) with the NZSM Choir, which rehearses on Wednesday evenings, 7pm in the ACR. The Programme Administrator will make you aware of the sign-up procedure. Students are welcome to join the choir for the entire year, but to ensure a fair minimum number each trimester, there will be a limited number of slots available for students to sign up to officially.

You must attend at least 8 of the 10 choir rehearsals, as well as the performance, and complete a log for each rehearsal, plus the concert (minimum of 50 words per log), as part of your Performance Journal assessment.

For performance courses assessed by recitals, an aegrotat cannot apply. Instead, the student (with the written approval of the teacher) must apply to the Director NZSM to have his/her assessment delayed. Any such delayed assessment must be completed prior to the start of the following trimester.

### **Submission and return of work**

Performance Journals should be emailed to the relevant Head of Instrument.

Scores, programme notes, and a hard copy of the performance journal should be handed in to the Classical Performance Programme Administrator at the reception desk.

Scores to be returned will be left available to be collected from reception.

### **Extensions and penalties**

#### **Extensions**

Students, who for exceptional reasons can justify an extension for an item of assessment, must apply to the Course Coordinator *before* the due date. Please note that no extensions can be granted for tutorial assignments.

#### **Penalties**

Assignments must be submitted by the due dates. In fairness to other students, unless a medical certificate is produced, assessment submitted after 5pm on the due date will be subject to a 5% demerit on your grade, increasing by 5% each further working day it is overdue.

### **Materials and equipment and/or additional expenses**

Please be prepared to make music purchases on a regular basis. You will slowly be building up your own library over many years so regard it as an investment. Keep your eyes open for second hand music but learn first which editions are acceptable. There are also websites that offer cheaper downloadable sheet music.

### **Recommended reading**

As recommended by your individual teachers and/or Head of Instrument Programme.

### **Class representative**

The class representative provides a useful way to communicate feedback to the teaching staff during the course. A class representative will be selected at the first lecture of the course. Students may like to write the Class Rep's name and details in this box:
