## Communication of additional information

Official notices issued after the course has commenced will be posted on the board outside the NZSM office on the Kelburn campus. Notices concerning a number of courses will also be posted on Blackboard. The Course Coordinator will specify if Blackboard will be used.

## Prescription

Extension of ensemble skills and presentation of ensemble music including chamber music or contemporary ensemble, in an area that supplements or complements the main area of study.

## Course learning objectives (CLOs)

Students who have successfully completed this course will be able to:

1. develop collaborative techniques at a professional level through the study, rehearsal and performance of music for small ensemble
2. engage with artistic integrity and professionalism in the preparation, rehearsal and presentation of performances of collaborative repertoire
3. demonstrate knowledge of relevant musical and historical background for the repertoire studied, appropriate for the preparation of programme notes.

These learning objectives contribute to the NZSM Graduate Attributes. For a full list, please see [www.nzsm.ac.nz/study-careers/graduate-attributes](http://www.nzsm.ac.nz/study-careers/graduate-attributes)

## Teaching format

Please note the coaching, workshops and masterclasses specified in the Mandatory Requirements includes both the group coachings, and the workshops/masterclasses held by the NZSQ as well as those held during the Performance Workshop times. Attendance at all these classes is mandatory.

Students wishing to propose pre-formed chamber groups must submit a Chamber Music Request Form, with details of all students and repertoire to Doug Beilman by Monday 16 February for Trimester 1, and Monday 29 June for Trimester 2. Only fully formed group requests will be accepted, and all members have to agree to the arrangement for the entire trimester. It is also **NOT** a guarantee that you will be granted with the request, but it will be taken into consideration.

If a student chooses to participate in a group additional to the group they have been allocated (subject to approval of the Course Coordinator), they must complete their participation in all their groups up to and including the assessment performance. In these circumstances, students may choose which group they would like to be assessed on in the final performance, but will be graded on the coachings for *all* their groups.

It is expected that all members of the group will be enrolled in either PERF 133/233/333/433: exceptions allowed only by permission of the Course Coordinator.

The written component of this course consists of a 1,500-word paper, on topics related to your repertoire and ensembles. This course includes five meetings led by tutor Kris Zuelicke, three in the first trimester and two in the second trimester, to help students prepare the written assignment. Please refer to the syllabus for more details. Here are some helpful links, which list many writing related topics and seminars offered by Victoria University:

[www.victoria.ac.nz/st\\_services/slss/whatweoffer/academicwriting.aspx](http://www.victoria.ac.nz/st_services/slss/whatweoffer/academicwriting.aspx)

[www.victoria.ac.nz/st\\_services/slss/studyhub/writingassignments.aspx](http://www.victoria.ac.nz/st_services/slss/studyhub/writingassignments.aspx)

Groups will be posted on Blackboard and relevant notice boards by the end of week 2 at the latest in Trimester 1, and end of week 1 in Trimester 2. Students are expected to meet and organise rehearsal times as soon as groups are posted, and to begin rehearsals in week 3 of Trimester 1 at the latest, and week 2 of Trimester 2.

One member of each group will be nominated by the Course Coordinator to be the student contact person, with responsibility for making sure the scores are obtained, parts distributed, and for liaising with staff.

**IMPORTANT:** There are a total of six hours of coachings available per ensemble per trimester. **As stated in the Mandatory Requirements, all six must be scheduled, with at least 3 completed, by the mid-trimester break. The group leader is responsible for emailing this information to the Course Coordinator by Thursday 2 April (Trimester 1) and Friday 21 August (Trimester 2).**

One main tutor will be assigned to each group, and will be the contact person for any issues that arise. Students should have all five coachings with the main tutor. In certain instances, students may have the option to have four coachings with the main tutor and one with an additional tutor. **If students wish to take up this option, the additional tutor must first be approved by the Course Coordinator. Students must not schedule any coachings with additional tutors without prior approval.**

The Coaching Work Grade (20%) will be based on the following criteria after every coaching:

1. Preparedness – punctuality, knowledge of score and part
2. Responsiveness to feedback – during coaching, from one coaching to the next
3. Interaction with group – collaborative skills

The assigned main tutor must be contacted to devise a schedule for all coachings by week 3 of Trimester 1, and week 2 of Trimester 2. If there are difficulties contacting the tutor, the students must contact the Course Coordinator.

**IMPORTANT:** Any changes to tutors (i.e. asking tutors who are not assigned to your group for coaching) will need to be approved first by the Course Coordinator. A tutorial sheet must be signed by the tutor at each tutorial and handed in before the assessment.

Before tutorials commence, students are expected to have thoroughly learned their parts, and to have had at least two rehearsals.

This course also requires students to attend the four Chamber Music workshops scheduled as part of the Friday Performance Workshops, and the workshops/masterclasses conducted by NZSQ each trimester. The dates and times of all workshops will be announced on Blackboard by the start of Trimester 1.

Students are responsible for:

- submitting any specific requests for groupings and repertoire by deadline
- obtaining scores
- setting up a regular weekly rehearsal time
- booking rooms for rehearsals and coaching sessions
- learning own parts thoroughly prior to rehearsals and tutorials
- contributing to group rehearsals
- attending set rehearsal times punctually
- contacting the designated staff member or Course Coordinator if any problems arise
- providing written programme notes for assessments at least one week prior to start of small ensemble assessment period (by 13 May and 21 September).

*See attached course syllabus for more information.*

## Mandatory course requirements

In addition to achieving an overall pass mark of 50%, students must:

- a) complete and pass each item of assessment worth at least 10%. Where the item contains multiple subcomponents (e.g. a portfolio of journal entries, or similar), students must complete at least 50% of those subcomponents
- b) provide written programme notes for each assessment
- c) attend and complete all scheduled coachings, performances and workshops/masterclasses unless absence is due to verified medical reasons or advance permission for absence has been given by the teacher/lecturer, and hand in a completed coaching sheet at each coaching
- d) have completed at least three of the coachings for each trimester before the mid-trimester break.

## Workload

A 30-point full-year course should require at least 300 hours work (including class time). This means that in trimester time, the mid-trimester break and study week you should be prepared to spend on average 10 hours per week involved in activities such as attending classes, reading, listening to recommended recordings and preparing assignments.

- Tutorial sheets must be signed by the tutor at each coaching session, and completed sheets turned in to the Programme Administrator before assessments
- The written assignment must be turned in electronically to the writing tutor and the Course Coordinator in MS Word format by **Monday 28 September**

NB: This course is moderated, so all students are requested to retain all marked assessment items in the event that they are required at the end of the course.

## Extensions and penalties

### Extensions

Students, who for exceptional reasons can justify an extension for an item of assessment, must apply to the Course Coordinator *before* the due date. Please note that no extensions can be granted for tutorial assignments.

### Penalties

Assignments must be submitted by the due dates. In fairness to other students, unless a medical certificate is produced, assessment submitted after 5pm on the due date will be subject to a 5% demerit on your grade, increasing by 5% each further working day it is overdue.

## Materials and equipment and/or additional expenses

Please be prepared to make music purchases on a regular basis. You will slowly be building up your own library over many years so regard it as an investment. Keep your eyes open for second hand music but learn first which editions are acceptable. There are also websites that offer cheaper downloadable sheet music.

## Recommended reading

Students are encouraged to listen to recordings of the work(s) they are studying. Researching information about the composers and works will also amplify understanding of their allocated works.

## Class representative

The class representative provides a useful way to communicate feedback to the teaching staff during the course. A class representative will be selected at the first lecture of the course. Students may like to write the Class Rep's name and details in this box:

Class Rep name and contact details:
-------------------------------------

## Student feedback

Enhancements made to this course, based on the feedback of previous students, will be covered during the course.

Student feedback on University courses may be found at [www.cad.vuw.ac.nz/feedback/feedback\\_display.php](http://www.cad.vuw.ac.nz/feedback/feedback_display.php).
