Prescription

Further development of practical skills for jazz-rock fusion ensemble playing, and of knowledge of jazz-rock fusion repertoire.

Course learning objectives (CLOs)

Students who have successfully completed this course will be able to:

1. perform in jazz-rock and fusion styles to an intermediate level
2. transcribe and score all instrumental parts of a jazz-rock fusion performance to an intermediate level
3. perform from memory selected tunes from the standard jazz-rock fusion repertoire
4. show intermediate-level understanding of the idiosyncratic features of jazz-rock fusion.

These learning objectives contribute to the NZSM Graduate Attributes. For a full list, please see www.nzsm.ac.nz/study-careers/graduate-attributes

Teaching format

This course comprises two 1.5-hour lectures per week.

See attached course syllabus for more information.

Mandatory course requirements

In addition to achieving an overall pass mark of 50%, students must:

- a) attend 100% of rehearsals.

Due to the interdependence of all participants in the ensemble, 100% attendance is required unless prior approval has been given by the lecturer or a medical certificate is produced verifying illness. Unapproved absences will reduce the achievable mark by 8.33% each (1/12th of the course).

Any student who is concerned that they have been (or might be) unable to meet any of the mandatory course requirements because of exceptional personal circumstances, should contact the course coordinator as soon as possible.

Workload

A 15-point one-trimester course should require at least 150 hours work (including class time). This means that during the trimester, the mid-trimester break and study week you should be prepared to spend on average 10 hours per week involved in activities such as attending classes, reading, listening to recommended recordings and preparing assignments.

Students, who for exceptional reasons can justify an extension for an item of assessment, must apply to the Course Coordinator *before* the due date. Please note that no extensions can be granted for tutorial assignments.

Penalties

Assignments must be submitted by the due dates. In fairness to other students, unless a medical certificate is produced, assessment submitted after 5pm on the due date will be subject to a 5% demerit on your grade, increasing by 5% each further working day it is overdue.

Materials and equipment and/or additional expenses

All materials will be provided.

Class representative

The class representative provides a useful way to communicate feedback to the teaching staff during the course. A class representative will be selected at the first lecture of the course. Students may like to write the Class Rep's name and details in this box:
