Course learning objectives (CLOs)

Students who successfully complete this course will be able to:

1. demonstrate competency in ensemble performance on their chosen instruments, including an awareness of dynamics and rhythm
2. demonstrate knowledge of the role(s) of their instruments, and awareness of the roles of other instruments, in a combo, big band or jazz choir
3. show awareness of and competency in standard performance techniques from a range of jazz styles and periods
4. demonstrate the ability to memorise specified tunes, and to apply skills learned in Jazz Improvisation 2 to an improvisation on those tunes in a group context.

These learning outcomes contribute to the NZSM Graduate Attributes. For a full list, please see www.nzsm.ac.nz/study-careers/graduate-attributes

Teaching format

Combo: 1.5 hours per week during teaching periods

Rep combo: 1.5 hours per week during teaching periods

Big band rehearsals: 3 hours per week during teaching periods

Rhythm Workshop: 1 hour per week during teaching periods

See attached course syllabus for more information including the marking criteria. These will also be available on Blackboard.

Mandatory course requirements

In addition to achieving an overall pass mark of 50%, students must:

- a) complete each item of assessment worth at least 10%. Where the item contains multiple subcomponents (e.g. a portfolio of journal entries, or similar), students must complete at least 50% of those subcomponents

Justification: Not completing all the assessment components will impact on the students' overall achievement in the course.

- b) attend at least 80% of combo, repertoire combo, and big band or jazz choir rehearsals unless absence is due to verified medical reasons or advance permission for absence has been given by the teacher/lecturer.

Justification: attendance and participation is essential for ensembles to continue to run. Absences by any member(s) of an ensemble may adversely affect the performance and assessment of the group and its members

For performance courses assessed by recitals, an aegrotat cannot apply. Instead, the student (with the written approval of the teacher and the Programme Leader, Jazz) must apply to the Director NZSM to have his/her assessment delayed. Any such delayed assessment must be completed prior to the start of the following trimester.

Any student who is concerned that they have been (or might be) unable to meet any of the mandatory course requirements because of exceptional personal circumstances, should contact the course coordinator as soon as possible.

Workload

Classes/combo/big band rehearsals: 7.5 Hours per week during teaching periods.

A 15-point full-year course should require at least 150 hours work (including class time). This means that in term time, the midterm break and study week you should be prepared to spend on average 5 hours per week involved in activities such as attending classes, reading, listening to recommended recordings and preparing assignments.

Assessment

Approved assessment regime

The following assessment regime has been approved by the NZSM Academic Committee:

There are 2 items of assessment:

2. Rhythm workshop assessments. Related to learning outcomes 1-3. (20%)

Penalties

Assignments must be submitted by the due dates. In fairness to other students, unless a medical certificate is produced, assessment submitted after 5pm on the due date will be subject to a 5% demerit on your grade, increasing by 5% each further working day it is overdue.

Materials and equipment and/or additional expenses

Students must bring their instruments, leads and microphones (as required) and music to all classes. Drummers must also bring sticks and brushes, cymbals and hi-hat clutch to all classes.

Set texts

Source recordings will be disseminated by the ensemble tutors. It is recommended that students learn the material aurally and do not rely on 'fake books' or 'real books'

Recommended reading

Tutors will recommend appropriate listening and study materials.
