Communication of additional information

The Spanish and Latin American Studies Programme noticeboard is in the corridor outside vZ515. Additional information or information on changes will be conveyed to students either via class, noticeboards, Blackboard, or email.

Prescription

An intermediate level course, SPAN 215 builds on the skills developed in SPAN 112 or NCEA Level 3 in Spanish to enable students to achieve greater oral and written accuracy in the Spanish language. The teaching of the language is reinforced through written exercises, reading comprehension activities, set assignments and audio-visual work.

Course learning objectives (CLOs)

The aim of the course is to improve students' competence in both spoken and written Spanish. The teaching of the language is reinforced through written exercises, reading comprehension activities and set assignments. Emphasis is placed on practical work and the development of communicative abilities through audiovisual activities.

The objectives of the course are as follows. Students who pass this course should be able to:

1. understand Spanish spoken at reasonable speed by native speakers of both Peninsular and Latin American Spanish;
2. read aloud in Spanish with reasonable accuracy and fluency;
3. express ideas in written and spoken Spanish on a number of basic topics dealt with in class, showing that you have assimilated the rules of grammar and syntax, as well as much of the vocabulary, studied during the year;
4. understand and translate into good Spanish sentences of medium difficulty.

Teaching format

This course is delivered through two lectures, one tutorial and one audiovisual class per week. The lectures will mainly cover grammatical aspects of the Spanish language and the development of written skills, such as written comprehension, translation of short and simple texts, and development of advanced written expression in general. The tutorials will focus on the development of oral linguistic skills and the audiovisual classes will aim to develop listening comprehension skills. Both the tutorials and the audiovisual classes will require students' active participation in group exercises or activities.

Mandatory course requirements

In addition to achieving an overall pass mark of 50%, students must:

1. sit the written tests on the date indicated;
2. hand in the written portfolio by the due date;
3. attend the oral test at the appointed time;
4. attend at least **80%** of tutorials (8 classes) **and** at least **80%** of audiovisual classes (8 classes).

Any student who is concerned that they have been (or might be) unable to meet any of the MCRs because of exceptional personal circumstances, should contact the course coordinator as soon as possible.

Workload

In order to maintain satisfactory progress in this course, students are expected to dedicate approximately 200 hours to a 20-point course; that is, on average, 14 hours per week including contact hours over the course of the trimester- i.e., in the case of SPAN 215, **10 hours of private study outside class time**. Some students may wish to do more than this, especially if they are aiming to achieve high grades. A possible distribution of this time each week would be:

Class attendance	4 hours
Reading and reviewing class notes and homework	4 hours
Assignments for portfolio	2 hours
Audiovisual work	2 hours
Vocabulary and verb work	2 hours

Assessment

SPAN 215 is 100% internally assessed.

Assessment items and workload per item	%	CLO(s)	Due date
1 Written Test 1 (50 minutes)	15%	2, 3, 4	Thursday 14 April
2 Written Test 2 (50 minutes)	25%	2, 3, 4	Thursday 2 June
3 Written Portfolio (approx. 1000 words)	15%	2, 3, 4	Thursday 19 May
4 Audiovisual Test 1 (50 minutes)	10%	1, 4	Week 6
5 Audiovisual Test 2 (50 minutes)	10%	1, 4	Week 12
6 5 verb and vocabulary quizzes	10%	3, 4	Weeks 2, 4, 8, 9 and 11.
7 Oral Presentation	15%	2, 3	Week 13

Marking criteria for each piece of assessment will be communicated in class and on Blackboard.

Submission and return of work

All assignments must include a cover sheet provided or available from the SLC Office and on Blackboard. Assignments are to be handed in to the Spanish and Latin American Studies Programme assignment slot located to the left of the SLC Office on the 6th floor of von Zedlitz. The Spanish and Latin American Studies Programme aims to return work within three weeks of the hand-in date.

Students will be able to collect marked work from the SLC Office on the 6th floor of von Zedlitz between the hours of 10am and 2pm each day. A Student ID card will need to be shown to collect work. Uncollected work will be destroyed 3 months after the date of the final written test.

Presentation of assignments

Tidy presentation of assignments is essential. Work may be typed or neatly handwritten. Crossings-out indicate that a piece of work is still at draft stage. Allow space for corrections: leave a 4-centimetre margin and write on alternate lines or double space if typing. Do not write in pencil.

Extensions and penalties

Extensions

Short extensions may be granted by the Course Coordinator for particular assignments if requested in writing prior to the hand-in date. Longer extensions will require appropriate supporting documentation.

Penalties

The due dates for the assignments given in the Course Programme must be adhered to. Although work may be accepted late in special circumstances, the Course Coordinator should always be contacted on or before the due dates if there is a problem. The penalty for work presented late without prior approval is a 5% deduction per day. In addition, please note that up to a maximum of 5% may be deducted for poorly presented assignments.

Please note that no work for assessment will be accepted after 17 June 2015.

Tests and impairments

The dates of the tests given in the Course Programme must be adhered to. You should always sit a test if possible, obtaining a medical certificate if you wish to claim impairment. If you sit the test but believe your performance has been radically affected by some medical or other factors, inform the Course Coordinator immediately. If you fail the test, you may be able to claim impairment.

If it is quite impossible to sit a test, for severe medical, personal or family reasons, you should do everything possible to notify the Course Coordinator, if necessary through an Administrator, before the test, or to get a friend or family member to do so on your behalf. Only in cases of severe illness or other exceptionally difficult circumstances, which must normally be documented, can the Programme consider allowing students to sit a test at a different time from that indicated.

Set texts

Pasajes: Lengua, 7th edition, M Bretz, T Dvorak, C Kirschner and R Branddorfer, (McGraw Hill, 2009)

The textbook is accompanied by a workbook. Set texts can be purchased from Vic Books, Ground Floor Easterfield Building, Kelburn Parade. They can also be ordered online at www.vicbooks.co.nz. Orders and enquiries can be emailed to enquiries@vicbooks.co.nz.

Class representative

The class representative provides a useful way to communicate feedback to the teaching staff during the course. A class representative will be selected at the first lecture of the course.

Class reps will attend a meeting with the Head of School to discuss how the course is going and to raise any concerns or suggestions that they may have. You can find out more information on Class Representatives on the VUWSA website: www.vuwsa.org.nz

Student feedback

Student feedback from the last cohort of students was very positive; students highly valued what they learnt, and overall rated the course as excellent. The course will therefore be offered in a similar way in 2016. Student feedback on University courses may be found at www.cad.vuw.ac.nz/feedback/feedback_display.php.
