# Prescription

This course is designed to improve the writing of students for whom English is a second or other language. During the course, students practise techniques for generating, drafting and revising writing for a range of purposes, with an emphasis on addressing problems faced by second language writers. The course comprises three hours of workshop attendance per week.

# **Course Content**

The course covers a wide range of academic writing topics, including:

- Essay writing in English
- Report writing in English
- In-text and post-text referencing in academic writing
- Reading, grammar, and vocabulary
- Integrating sources in academic writing
- Drafting and feedback
- Becoming an independent writer
- See also the draft course timetable at the end of this document.

# **Course learning objectives (CLOs)**

Students who pass this course should be able to:

- 1. solve some of the problems faced when writing and reading in a second language
- 2. demonstrate increased richness and accuracy of their English when expressing complex ideas
- 3. demonstrate strategies for writing and reading texts effectively

4. demonstrate a critical awareness of their own strengths and weaknesses when writing in English

# **Teaching format**

You are expected to participate actively in the workshops. The workshops provide an opportunity to clarify your understanding of the writing process and to work on a range of language tasks aimed at practising and refining writing and reading skills. A regular feature of workshop tasks will be your preparation of successive drafts of written text on which your tutor and peers will provide feedback.

## Mandatory course requirements

In addition to achieving an overall pass mark of 50%, students must:

- 1. attend a minimum of 30 hours of workshops
- 2. complete all assessment tasks and workshop tasks to demonstrate that they have achieved Course Learning Objectives 1-4 (see above)

Any student who is concerned that they have been (or might be) unable to meet any of the MCRs because of exceptional personal circumstances, should contact the course coordinator as soon as possible.

## Workload

In line with faculty workload guidelines, you are expected to spend 200 hours across the trimester, working on WRIT 151 in order to maintain satisfactory progress. This is approximately 15 hours per week (including 3 hours of class time). Times to complete each assessment will vary depending on the student. The following are estimates only. It is estimated that you will spend around 30-40 hours on each of the essay and the report (including reading, and writing, which includes the drafting process). You will also spend around 7-10 hours on each revision task. The portfolio is estimated to take you around 15-20 hours. Writing and revising for the test should take you 5-10 hours.

# Assessment

WRIT 151 is an internally assessed course. The final grade will be based on:

	Learning objective	Length	%	Due date and time
Essay	1, 2, 3	1000 -1200 words	20%	Essay due, Wednesday 23 March, midday
Essay Revision	4	N/A	10%	Revision of Essay Due, Friday 15 April, midday
Report	1, 2, 3	1000 -1200 words	20%	Report due Friday 6 May, midday
Report Revision	4	N/A	10%	Revision of Report due, Friday 20 May
Test	1, 2, 3	N/A	20%	Test (one hour) Tuesday 24 May, 6pm
Portfolio	4	1000 - 1100 words	20%	Portfolio due, Friday 3 June, midday

### The Assignments

You will be guided through a process approach to writing the essay, report and portfolio. The process includes pre-writing tasks, drafting, revising, and editing. This will involve discussing your writing with members of your workshop group, and giving each other feedback on writing drafts. The process also includes integrating reading from different sources, and using appropriate referencing conventions. Marking criteria will be placed on Blackboard. Assignments should be submitted in the box in VZ210. In addition, an electronic copy must be submitted through Turnitin (on Blackboard).

### The Revision Tasks

When you submit your essay and your report, your tutor will give you feedback on them, and return them to you with specific suggestions for improving the essay. The Essay and Report Revision assignments require you to reflect and act on the feedback from your tutor. In addition to working through the specific suggestions from your tutor, you are expected to identify other areas needing improvement, and plan and make changes to these areas. You will then submit the revised essay or report and revision notes to your tutor. Your ability to make effective changes to the essay both independently and in response to tutor feedback will then be assessed for 10% of your final grade.

#### **Portfolio Reflection**

You are required to keep all your written work for the course in a portfolio – a loose leaf folder – during the trimester. At the end of the course you will submit a 1000-word written Reflection on your development as a writer during the course, along with a selection of your work during the trimester. Your tutor will provide guidance on compiling the portfolio in workshops. The portfolio will contribute 20% of your final grade.

#### The Test

The test is worth 20% of the final assessment for WRIT 151. It will be held on Tuesday 24 May 5:45-7:00pm. You will be advised of the room/s in workshops. It is **your responsibility** to ensure you are present at this time.

# **Marking Criteria**

The marking criteria for each piece of assessment will be on Blackboard.

## Submission and return of work

All assessments need to be on paper. The essay, report, and portfolio also need to be submitted on BlackBoard on the due date.

All student assignments are to be placed in the Assignments Box opposite the elevators on the second floor of the von Zedlitz building. It is situated on the wall of the School office, which is VZ210.

Please supply your tutor with a stamped self-addressed envelope, so that we can return your portfolio to you at the end of the course.

## **Extensions and penalties**

### Extensions

An extension without penalty will only be considered in cases of documented illness or injury or personal bereavement. Except in the case of medically documented illness or injury, extensions should be requested in advance of assignment deadlines. Tutors may grant extensions of up to 72 hours; the course coordinator must approve extensions longer than 72 hours.

### Penalties

Assessments handed in past the due date without prior permission will lose a mark for each day. Assessments that are over one week late will receive no feedback.

### Word limits

Please ensure that your essays meet the word limit requirements. Assignments will be marked down by one grade (e.g. from B to B-) for every 10% that they are over or under the word limit.

## Materials and equipment and/or additional expenses

## Student feedback

Feedback from the last group of students in this course suggested that we need to think about how this course can encourage critical thinking. This is an area we plan to focus on improving in this trimester.
