Course learning objectives (CLOs)

Students who have successfully completed this course will be able to:

1. perform in jazz-rock and fusion styles to an intermediate level
2. transcribe and score all instrumental parts of a jazz-rock fusion performance to an intermediate level
3. perform from memory selected tunes from the standard jazz-rock fusion repertoire
4. convey intermediate-level understanding of the idiosyncratic features of jazz-rock fusion.

These learning objectives contribute to the NZSM Graduate Attributes. For a full list, please see www.nzsm.ac.nz/study-careers/graduate-attributes

Teaching format

This course comprises two 1.5-hour lectures per week.

See attached course syllabus for more information.

Mandatory course requirements

- a. In addition to achieving an overall pass mark of 50%, students must:
attend at least 80% of rehearsals
Justification: attendance and participation is essential for ensembles to continue to run. Absences by any member(s) of an ensemble may adversely affect the performance and assessment of the group and its members
- b. organise a substitute player for every absence from a rehearsal. If a substitute is not organised, 5% will be deducted from the final year's mark for each absence that is not covered
Justification: see above
- c. For performance courses assessed by recitals, an aegrotat cannot apply. Instead, the student (with the written approval of the teacher and the Programme Leader, Jazz) must apply to the Director NZSM to have his/her assessment delayed. Any such delayed assessment must be completed prior to the start of the following trimester
- d. Any student who is concerned that they have been (or might be) unable to meet any of the mandatory course requirements because of exceptional personal circumstances, should contact the course coordinator as soon as possible.

Workload

A 15-point one-trimester course should require at least 150 hours work (including class time). This means that during the trimester, the mid-trimester break and study week you should be prepared to spend on average 10 hours per week involved in activities such as attending classes, reading, listening to recommended recordings and preparing assignments.
