

The PhD in applied linguistics is an incredible journey of discovery and growth in the field of language research. It's an amazing opportunity to delve deep into the world of language and its applications. With the guidance of excellent and supportive mentors and the wealth of resources available, I'm continually expanding my understanding. From exploring language acquisition to innovative and comprehensive research methodologies, every aspect is enriching and rewarding.

I'm incredibly grateful for the experiences and knowledge gained here, shaping me into a confident researcher ready to make significant contributions to the field of applied linguistics.
