*Mothla Majeed\**

The following two recent publications contain extensive bibliographies at the end of each chapter:

Australian Agency for International Development *Making Land Work* (Australian Institute for International Development, Canberra, 2008).

Sullivan, Nancy (ed) *Culture and Progress: the Melanesian philosophy of land and development in Papua New Guinea* (Divine Word University Press, Madang, 2002).

The following text is an older bibliography of Pacific law which would be useful in identifying less recent material:

Elliott, Jacqueline *Pacific law bibliography* (2<sup>nd</sup> ed, Pacific Law Press, Hobart, 1990).

For a general overview of the state law, see:

Farran, Sue and Paterson, Don *South Pacific Property Law* (Cavendish Publishing, Portland, 2004).

Furthermore, of use is the Pacific Islands Legal Information Institute (PacLII) <<http://www.pacii.org/>>, a research database linking to documents relevant to Pacific land law.

See also the Index Cumulatif Volumes 1-12 published in (2006) 12 *Revue Juridique Polynésienne* 211.

A select bibliography of Pacific land law texts follows.
