

# Rubric for International Differences and Similarities

Student ID \_\_\_\_\_

## BCom Learning Goal 3

Local and Global Citizenship: Graduates can engage constructively with their local and international communities.

## BCom Learning Objective 3b

Analyse a discipline-specific issue identifying key cross-country/international differences and similarities.

Trait	Exemplary	Satisfactory	Unsatisfactory	E/S/U
<b>Identify key components of countries' environments.</b>	All key components (relevant to the topic) are identified and well defined.	Sufficient key components are identified and adequately defined.	Some components are missing or poorly defined.	
<b>Compare examples of components across countries.</b>	All key differences are identified fully and pertinent examples provided.	Sufficient key differences are identified to capture the essence and examples provided.	Some key differences are missed or identified differences are incorrect/invalid.
