Rules of the game

1. Read these rules very carefully before you begin
2. When you have read and memorized these rules, you must turn the sheet over and then begin the game
3. Everyone must have a roll of the dice
4. You must not speak to anyone during the game
5. You must sit in a circle with at least 20 centimetres between you and the person next to you
6. Men must not touch women in any way
7. Women must try not to expose any skin when they are sitting down
8. The person with the darkest hair gets to throw the dice first
9. The dice then move to the person with the next darkest hair colour and so on
10. When you hand someone the dice, you must always use both hands
11. You must bow low to the person handing you the dice
12. You must not look anyone directly in the eyes
13. If you roll a six on either dice, you must say “BAAAAAH”
14. If you roll a pair, you must snort like a pig
15. If anyone breaks a rule, everyone must stare at them
16. When everyone has rolled the dice, everyone must stand up and take a bow
