## POSTGRAD SPECIAL TOPICS

Preparing for presentations and research posters

Thursday, 23 April 3:10-4:00pm, KK001

Applying Te Tiriti o Waitangi ethics to your research

This workshop helps prepare you to think about the principles and values of Te Tiriti o Waitangi and start applying them to your research design. You will come away with a better understanding of how to approach the Ethics application and how to apply Te Tiriti o Waitangi principles to your research.

Tuesday, 26 May 1:10-2:30pm, KK001

Critical Thinking 3-week series

In this workshop you will explore what it means to think critically, how to read critically, and how to write critically. The workshops run over 3 weeks with a specific focus for each week. **Commitment to attend all 3 weeks is needed.**

	Week 1: Critical Thinking	Wednesday, 11 March	10:30am-12pm KK001
Attend all three	Week 2: Reading Critically	Wednesday, 18 March	10:30am-12pm KK001
	Week 3: Writing Critically	Wednesday, 25 March	10:30am-12pm KK001

POSTGRADUATE WORKSHOPS

## PRACTICAL WRITING SESSIONS

### Monday Morning Writes

#### Week 1-12 and over the study/exam weeks

Bring your writing projects and join other postgraduate students for practical, focused writing time. These weekly sessions include three 25-minute Pomodoro focus sessions with small breaks to stretch or discuss your writing goals with others. Also available to attend online.

## POSTGRADUATE SPECIAL TOPICS

### After hours online study and writing skills

These workshops focus on strategies for managing your postgraduate work in a way that works with your brain and your schedule. We cover strategies for getting back into your research project and approaching writing tasks when you feel stuck.

Creative problem-solving in research	Wednesday, 3 June	5:30-7pm, (online)
How to work with your brain at postgrad	Wednesday, 10 June	5:30-7pm, (online)
Life Management for Night Owls	Wednesday, 17 June	5:30-7pm, (online)

## MĀORI AND PASIFIKA STUDENTS

Our Māori and Pasifika Learning Advisers offer customised support for Māori and Pasifika students:

- **Study skills** – navigating your study, planning your study routine, preparing for lectures and tutorials, planning assignments, thinking critically, researching, revising for tests and exams.
- **Reading skills** – reading critically with understanding, purpose and efficiency.
- **Writing skills** – lecture notes, essays, reports and presentations.
